

We don't mind saying we felt some considerable disappointment in not winning that Thousand Dollar Bill at Port Dover on Monday night. However, the knowledge that the prize went to MacGaw MacDonald will ease the pain somewhat. Being a member of the legal profession we know he was probably better badly in need of it. After all we can't expect a man to get along these days if he is working on two ends of government gratuity. The only regretful feature of the whole thing is that it should have happened a week earlier, in which case, MacGaw could have invited his friend Sam Morris to take in the Progressive Conservative Convention at Ottawa.

That would have been an enlightening experience for both of them.

Having had the pleasure of three days in the Capital City this past week, we return to the local scene well assured that Democracy is by no means dead in Canada yet. We're not sure just what the television cameras revealed concerning the goings-on at the Progressive Conservative Convention, but on the scene eye-view was both stimulating and encouraging to one of that political faith. The arrangement was excellent, the convention was managed wonderfully well and, we thought, the candidates for leadership of the party all looked like pretty solid citizens.

John Diefenbaker, the best known, and of proven qualifications, won the race for leadership. We happen to like political speeches and his acceptance address had all the earmarks of greatness. One cannot help but wonder what the future holds for him. There can be no doubt John Diefenbaker will do much toward restoring the two party system of Government in Canada. Anyone who disagrees with the desirability of this is either a biased partisan or has a total lack of appreciation of the importance of good democratic Government.

It's got
what the
experts call
"road sense"

The '57 Chevrolet can give lessons on taking curves and holding the road to just about any car going — no matter how much more it costs. Few cars at any price are so beautifully balanced and so smooth, sure and solid in action.

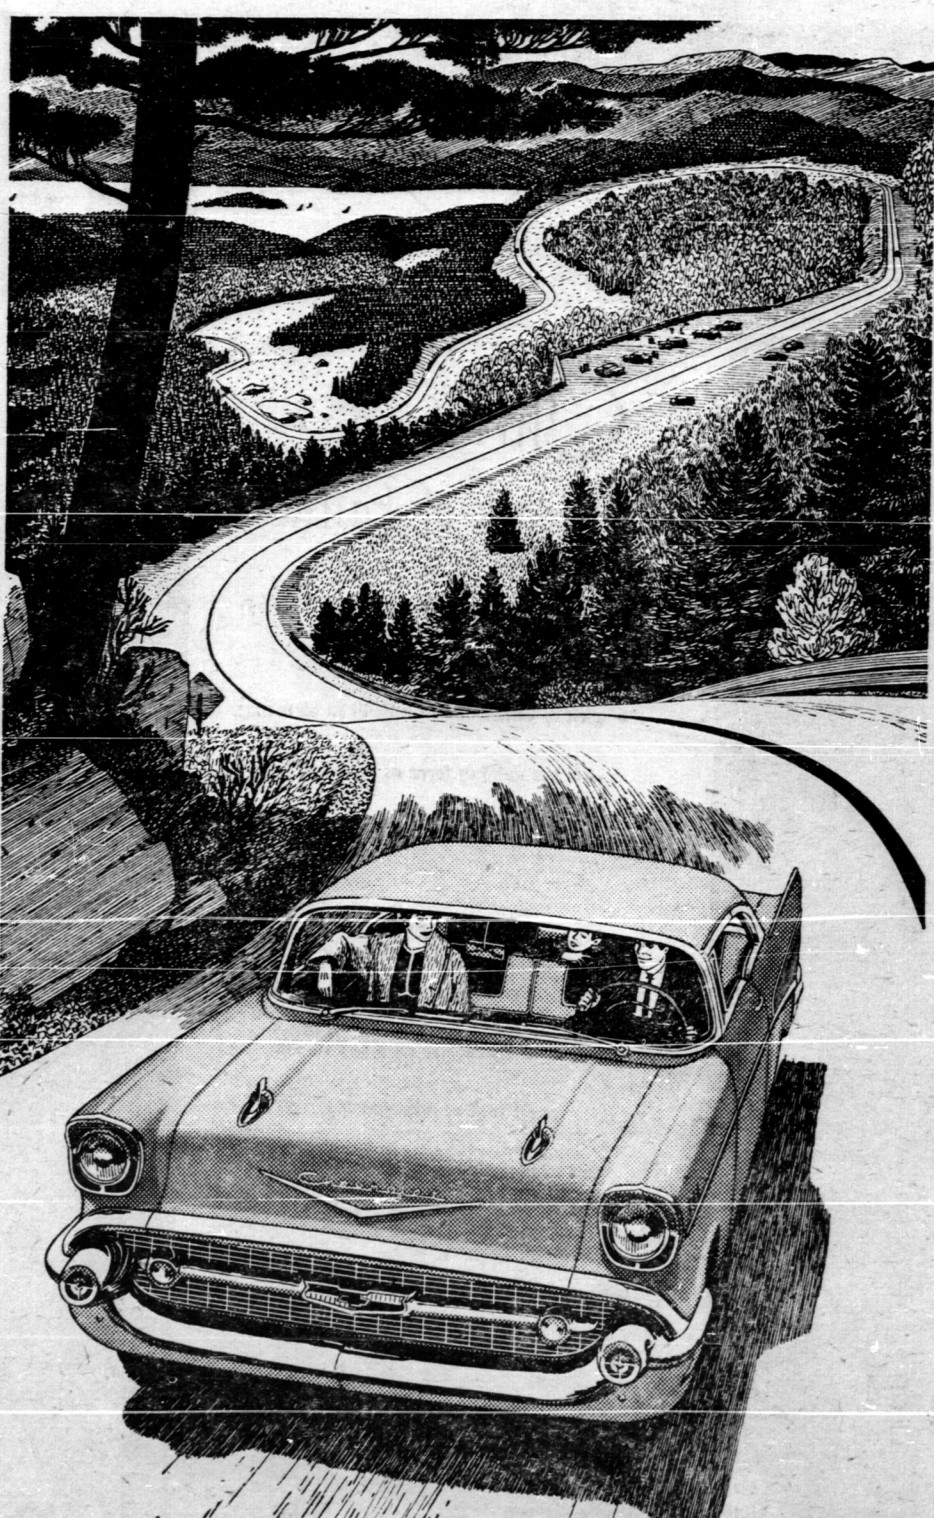

The '57 Chevy's road savvy isn't surprising once you learn what's underneath it—new developments in steering, springs and suspension. Chevy plans itself wide and low to the road, and with its pounds in the right places. That's why it sticks so surely and solidly around corners and curves. That's why it seems to follow the road as though on invisible rails.

Chevy's new V8 power (up to 245 h.p.) springs from what people who know have called the best performing passenger car engine ever built. And that makes the going even better! Snappier performance with more precise control! Come in and try it.

Knox Church News

A special Car-Lite Light Carol Service will be held in Knox Church, on Sunday evening, Dec. 23rd, at 7:30 p.m. Christmas carols and special anthems and musical numbers by the Junior and Senior Choirs will be sung. All are invited to attend this carol service.

The Sunday School Christmas Concert of Knox Church will be held on Friday, December 21st. As in the past a pot-luck supper will be served at 8:30 p.m., with the concert commencing at 8 p.m.

A Baptismal Service of interest to many took place Sunday, Dec. 16th, when six members of Knox Church Club presented their children for baptism. Those baptized were: James Kenneth Saunders, infant son of Mr. and Mrs. William Saunders; Owen Christine Mitchell, infant daughter of Mr. and Mrs. James Mitchell; Patricia Jane Walker, infant daughter of Mr. and Mrs. Oscar Phillips; Sheri Anne Dunnet, infant daughter of Mr. and Mrs. John Dunnet; and Carol Jean Mitchell, infant daughter of Mr. and Mrs. Elgin Mitchell.

SAFETY AWARDS

Sixty-four boys and girls from different Ontario counties and seven police officers were presented with safety awards at Toronto by Attorney General Roberts and Highways Minister Allan.

John Diefenbaker made no promises other than to fight for the cause of right, ever having in mind the problems of the average man and to maintain the true principles for which his party stands. The delegates at the convention gave thunderous approval to this stand and, we believe, a lot of people in Canada will find little fault with his declaration.

Now the spirit of Christmas is in the air. Just five days to go. We have a deep feeling of affection for all loyal readers of this paper. We are thankful for the wonderful community spirit that is a part of our lives and makes this area almost a Utopia. Let us be grateful for the opportunity of celebrating this joyous occasion in the happy circle of our families. May we wish one and all a Merry Christmas.

December Meeting Of Garnet W.I.

On Dec. 13th, the Garnet W.I. met at the home of Mrs. Christie, with 30 members and two visitors present. The meeting opened with the Christmas hymn, followed by the Lord's Prayer. A short discussion followed. The devotional period was led by Mrs. E. Nichol. Mrs. Roy Jenson read a poem, "No Room." Childhood memories of Christmas, proved a very interesting Roll Call. Following this we sang "Memories." Minutes of the October and November meetings were read and the collection taken as we sang "Silver Bells." Mrs. W. McMurtry was program convener and read a poem, "At Christmas Time," and later "The Song of the Lazy Farmer." The motto, "Happiness in your home, joy in your heart, and peace on earth," was given by Mrs. C. Graham. Mrs. H. Harrop read Peter Marshall's Sermon—Let Us Keep Christmas. Mrs. C. Harrop demonstrated an attractive Christmas gift at little cost. A report of the Area Convention was given by Mrs. M. Phillips and Mrs. Roy Jenson. Current Events and reports from the various committees were given. Plans were made for the card parties, which begin in January. Mrs. A. Cowan extended a special thank-you to Mrs. Christie, who has entertained the W.I. at Christmas for several years. An exchange of gifts and a social hour brought a very pleasant evening to a close.
