THE LEGEND SAYS CHRISTMAS TREES CAME FROM EGYPT

Legend has it that the Christmas tree originated in Egypt, where the first trees used were palm trees. The Germans brought the tree to America, however, as they also introduced it to England. The German Prince Albert, consort of Queen Victoria, introduced the first tree in his young daughter.

Martin Luther is said to have brought the first Christmas tree indoors for decoration, early in the 16th century.

Hagersville High News

By Lenore Devine
Christmas vacation is just about here if we judge by the lively spirit of the students. Upper School has a Christmas tree and mistletoe. The Middle and Upper School are completing their plans for the Christmas party on Friday afternoon, Dec. 21. Because of the Lower School examinations this week, Grades 9 and 10 will not have to take part in the program. There is to be dancing and lunch afterwards and we hope that everyone will enjoy the party.

Also on Friday night, Mr. Weaver is trying to arrange a hockey game with the school team playing a visiting team. There would be a game afterward if such a game was arranged.

The boys' basketball team played to Dunnville last Friday night on an exhibition game. The team played a close game losing by a margin, the Midgates, however, outplayed considerably and will have to improve before scheduled action.

We would like to extend to parents and friends a Merry Christmas and a Happy New Year from the Staff and Students of Hagersville High School.

If you have anything to say, want to buy, try an Advt. in the Advt. Column.

COST OF MEDICINES

Any scheme of hospitalization or of medical care . . . is deficient if it does not take into account the high cost of medicines. Perhaps some day we shall get around to some relief in this area as well. — Prince George Citizen.
