ship are being urged to attend and support their Federation whole heart-

those producers who withheld deliveries of hogs last week in order to strengthen their marketing agency position. For next Monday we would in Zone 2 and the northern part in Zone 2.

Three of a kind was the order of the day in the barm on the farm of Fred Kushnir, R.R. 1 Canboro, last Friday afternoon, when his cow delivered triplets, all healthy and all doing well. This is a very rare occurrence for a cow, but at last report Mr. Kuhsnir is not complaining in fact he would rather welcome a restition of the same any time.

b) A. Turcotte a merchant, suggested the community bdy a bulldozer and set out to meet the highway.

Ottawa," Mr. Kohler predicted. Michipicoten, with a population of 3.000, two years ago built a s ven-mile trail to Michipicoten harbor on Lake Superior. The Ontario high-ways subsequently added improves than the one or the other."—Dr. F. Burns, chief economic adviser to Pre-

CHRISTIAN REFORMED

munity Hall on Tuesday, February 14, at 8.15 p.m. All farmers in the Town-

net income was soon realized that regardless of social standing it could not exist much longer. It would have to give way to larger operations as did the cottage industries of 150 with the co years ago.

Clanbrassil Farm Forum says "pricfive last week in securing hog prices

was successful for four days out of
five last week in securing hog prices

when Ontario in second place with 313
per cent. Alberta was in last position with a mere 18,9 per cent. Perth es should be kept up to encourage farmers' sons to farm." They furthbids," Mr. McInnis said. "Starting of hogs marketed with 182.666. Pert with a 23 cent bid from the large still had 34.8 per cent in the packers early in the week the agent succeeded in securing 24 to 24! cents on Monday to Wednesday.

23½ cents on Thursday, from the market the description of the security and the market the cents of the security and the security trade including the five large packers. grade of hogs that are r Securing these higher prices repre-from this county. Are you do

sents a straight gain to the producer thing about it? of close to \$56,000 in one week. "On Friday, in order to clear the In corn as well as in other crop yards, the marketing agency sales-nien deposed of approximately 1,500 hogs at \$23.50 and the balance at this is determined by the maturity. \$23.00." Mr. McInnis said The Ontario Corn Committee has pre demand of 24 to 241/4 cents was be- with a climatically zoned map which

our domestic market, as well as the a farmer to pick out a variety that market, justified these prices," Mr. ual aprtr McInnis stated.

"We appreciate the co-operation of map is available from your agricult-

it might be necessary for us to advise producers later in the week on Have you started perparations for the delivery situation."

"Starting next Monday with no hog bit too early to do so. There were holdovers on the market our salesmanager, Jake Kohler, is prepared to
again sell hogs in relation to consumer pork prices," Mr. McInnis said.

TRIPLETS BORN TO COW

of the same any time.-

grain and 1,680 pounds of clover and grass seed were offered for sale at

market for competitive bidding, and this definitely strengthens the bargaining position, of the Ontario Hog Producers' Marketing Agency."

"At our yards which are already established at Kitchener and Windsor, in many instances it is not even necing to boost the industry's annual production to 11,830,000 ingot tons of steel by 1980, compared with 4,442,000 last year.

The industry, he told the commission, cannot continue paying high wages unless it gets tariff protections.

50 YEARS OF PROGRESS

important eras in the history of our pro-

vince. The Hydro family has played a major

role in the progress of that half century,

resources to make available to farms, homes

and industry, dependable electric power-at

In the process, the Hydro family has grown

from the original 14 partner municipalities

to 343. The number of customers served

through these, plus rural, local systems and

rates among the lowest in the world.

The fifty years since Ontario Hydro was Commission and the municipal systems is created in 1906 constitute one of the most almost two billion dollars.

In this, our Golden Jubilee Year, Ontario Hydro and all the Hydro municipalities salute the men whose foresight and enterenergetically developing Ontario's water prise founded the Hydro family . . . We salute also labour, industry and agriculture, all of which may be proud of their part in helping to bring about the present high standard of living in Ontario.

What of the next 50 years? The future holds great promise in electrical living. Hydro will continue to provide an adequate supply of industrial customers now exceeds one and of the province . . . power for greater
