Chevrolet Task-Force Trucks

Anything less is an old-fashioned truck!

LUNDY & HENDERSON

More power per pound means There's a modern V8 for every

Since less power is used up in moving engine weight, a bigger proportion is available for moving your payloads.

There's a powerful, deep-breathing V8 — either standard, or optional at extra cost — in every Chevrolet truck model.

You get hour-saving performance on the job. And modern V8 power saves fast, efficient high-tonnage hauling.

more power for your payload! Chevrolet Task-Force truck!
