pital, on Monday, March 5th, 1956

to Mr. and Mrs. George Butler of

Jarvis, a son.

WITH THE BOY SCOUTS

A "P" Pack met on Monday night

with a quite a drop in attendance.

The first time this happened, it

was not much of a surprise at the moment.

The Cubs are working on Test No.

1, in the Second Star Test and it is

surprising what some of them can

do on their own in the way of con-

structing something out of a few

sticks or cardboard. They do real

well.

The Scout meeting was spent on

some practice on the different

arm slings and bandages. The

Scouts show very much interest

in their work realizing the great

help it can be to them and to oth-

ers at some time another.

A very quiet and attentive troop

stood at the altar at the light of

their campfire while two more boys

were invested into the troop, and

we went to welcome that at the

Philip Coburn to the troop and wish

them the best in all their Scout-

ing.

Don't forget the Father and

Son Banquet on March 16th.

Cubs and Scouts are to take

part in the Father and Son Ban-

quet at the Community Hall. This is

the one night of the year that the

fathers want to save for their

boys, so keep it in mind.

Next meeting will be held Mon-

day night March 12th. Cubs at 7

p.m. and Scouts at 8:15. Be on time

Be prepared.
