WELCOME SPRING

Spring will come sooner or later. The American writer Henry Van Dyke, born in 1852, noted that the first day of spring is one thing, and the first spring day is another. If you figure it's been a long winter, the fact is that spring this year begins when the sun enters Aries at 4:17 p.m., eastern standard time, on March 20th.

The weather won't change at that minute, of course, and some parts of this broad country may be chilled in a wintry atmosphere while others are enjoying the new warmth. But nothing is more sure than the change of seasons, and the birds are well aware of this, even if they don't read the weather forecasts. The different flocks and species following a schedule that they observe for centuries, have been preparing for the annual northward migration in places far to the south—in the open spaces of South America, the forests of Central America, the islands of the Caribbean and the warm-winter areas of the southern United States.

MYSTERIOUS GIFT

Galt police got a wrist watch in the mail the other day, but don't know where it came from. The post office said the package was dropped into one of the city mail boxes.

WANTED

A Music Supervisor required for Cayuga Public School and North Cayuga Township Area Schools, for the school year 1957-58. Applications received until April 15th by Mr. Murray Coverdale, 215 W. Cayuga, 120 Hagersville or Hannon 2031.

WANTED
For Dead or Disabled Horses and Dogs. Old horses ca. per lb. Prompt service, phone collect to 215 W. Cayuga, 120 Hagersville or Hannon 2031.

WANTED
All varieties of good hay, suitable for export. Apply to Knox-Giles, phone 120 Hagersville, 391 Hagersville.

HORSES WANTED—Any age or it's summer breeding areas in the winter in Canada, and so do some other birds, but a few are the exception. Well trained robin will go south for the winter and return north when the temperature reaches a steady 35 degrees or better.

It's not the temperature however that return. The National Geographic Society says the robins time their arrival with the return of the earthworms. All winter the worms have hidden below the frost line, and as the ground thaws, they come to the surface. The robins are there to meet them.

Other bird species time their migration to fit the growth of new vegetation. Nature's timetable has the trees bursting into bud and leaves beginning to grow, insects are hatched to eat the leaves and birds fly up to eat the insects.

Spectacular spring migrations—thousands of birds in a single flock—are haphazard occurrences, due to the changeable spring weather. They seize the chance of a bright warm day in the midst of cool or stormy weather.

But they all know where they're going, and they know the winter's over.

If you have anything to sell, or want to buy, try an Advt. in the Adilet Column.

Contributions For Hagersville Arena Now Reach \$23,000

A review of the contributions to the Hagersville Community Arena showed that 900 people have contributed \$23,000 to date. There is still \$9,000 in outstanding pledges.

The following members of the committee will be contacting these people in the next few days: Don Hyde, Lloyd Smith, Bob Mayor, Charlie Maggio, Jack Hunter and Harley Lemppman. Have your contribution ready when you are.

Mr. Ross Huffman of Hamilton, Ont., has donated a cheque for \$25.00. It is at the disposal of Hagersville in connection with the building committee.

The building committee reported that they plan on erecting the steel structure and trusses for the arena as soon as the steel can be obtained. Several firms have been contacted for the best price on the steel.

The footings for the arena are in and the steel is being poured as the weather permits.

There are a lot of people working hard for the arena, so let's get behind them and make it easier.

Local Man Attends Meeting in Toronto

Mr. J. J. Church of Church's Garage, Jarvis, attended the J. I. Case "545 Club" in Toronto on April 2nd. The meeting was held prior to the annual meeting to point up the dollar-earning value of forage crops to the farmer. Clinic with Grass and Farming.

Case dealers from this area saw exhibits and demonstrations that showed how latest mechanical developments harvest and store forage crops more efficiently. Their feed value while saving the farmer time in doing the job.

They also participated in discussions on service to Case customers and national advertising and promotion campaigns.

Plans were made for dealers to hold "Hay Days" for farmers in their own communities to emphasize the importance of good forage and hay in profitable farming and show the dollar-earning value of forage crops in harvest and handling of forage crops.

The Haldimand County Historical Society will hold its regular meeting on Tuesday evening, April 9th, in the Court House, Cayuga.

The programme will be centered around Hagersville, featuring papers on the history of the town. It is by industries and its churches.

Members are asked to bring an old or interesting plate for display at the meeting.

A word making contest was enjoyed by all and won by a draw. The evening closed with a delicious lunch served by our hostess, Mrs. Meade.

The next meeting will be on April 17th, at the home of Mrs. Hubert Snowden.

WILL CELEBRATE 90th BIRTHDAY

Mrs. Leslie E. (Hannah) Marr, beloved resident of Woodhouse Township, will celebrate her 90th birthday on Friday, April 8th. Mrs. Marr makes her home with her daughter and son-in-law, Mr. and Mrs. Roy Misner, No. 6 Highway.

Mrs. Marr, who was the former Hannah Richardson, daughter of the late Mr. and Mrs. Thomas Richardson, was married to Leslie E. Marr on Feb. 23, 1887. Mr. Marr passed away in 1940.

No special observance of the birthday is
