Vancouver now has the busiest airport in Canada. In the five years of the five years

near most men are thinking more of the little woman than is generally the case. The problem prior to Christmas is to decide what to get her for a present. It's a pretty important decision, especially for one of Scottish ancestry who likes to go out and live it up on New Year's Eve. The problem for Canadian husbands, however, is not nearly so rugged as it is for the Moroccans. Just the other day King Mohammed V. signed and sealed a new divorce decree which says: "Men still will be allowed up to four wives at a time, but if a man wants more than one

THEY PAY NO TAXES

A "CORPORATION TAX" is not a tax on the corporation, but is, rather, a tax on the customers who buy the goods or services it produces.

Taxes are a cost of doing business. They must be included in the price structure along with wages, and the costs of raw materials and supplies.

An increase in corporation taxes, or in any other taxes, is an increase in costs which must ultimately be reflected in prices. Hence, a decrease in corporation or other taxes would ease the upward pressure on costs and prices.

National Christmas Vesper Service

In the city churches and in small centres too, this month, groups of teen-age girls are getting ready for the annual Christmas Vesper Service of the Canadian Girls in Training. It is a service which has become a symbol of the national strength and unity of the C.G.I.T. Movement.

Groups everywhere in all the ten provinces will take part in this rededication to the ideals and purposes of the movement. Dressed in the white middies and navy skirts of the C.G.I.T. uniform, the girls will sing the familiar Christmas hymns and join in the readings and prayers.

In most churches, the climax of the service comes with the lighting of three candles to symbolize the meaning of the C.G.I.T. Purpose.
