We don't know what is going on, but we have it on good authority one of our gay young blades, who lives less than a mile south of the town on No. 6 Highway, was seen cutting up some pretty suspicious capers one day last week. The story, as we get it, is that he placed a ladder to an upstairs window of a local house and thus made an entry. A while later he was seen leaving by a side door. We have no other information beyond this but from now on we're going to lock our upstairs windows.

We extend our sympathy to the late William J. Bailey. The late Mr. Bailey possessed the finest qualities of character and we shall always cherish the memories of pleasant relations with him on frequent occasions. His interests were varied and the element of common sense characterized his actions. His Christian example will live for others to emulate.

A word of commendation should be directed to Fred Fish for the nice decorations adorning his store this Christmas season. There is, of course, the possibility the credit belongs to his wife, Irene. In any event the coloured lights add to the festive spirit and the Village would be gay indeed if every place of business was decorated in the same manner.

It's too bad but our friends living in the cities will just have to get along without a Christmas card from us this year. We've quite a few friends in this category but we're not intimate enough with them to have memorized their street addresses and we imagine the Post Office has enough worries at this time of year without getting a lot of cards without the complete address on them.

Christmas is still a week away but we must confess we are getting

weaker by the moment. There is simply too much going on at Christmas time. The Lions Club Turkey Jamboree always leaves us in a slightly shaken condition, but as the years advance we shake more and more. In fact two Jamborees in a row would put us out of circulation entirely.

A man whose normal weight is 150 pounds would weigh about 50 pounds if all the water in his system was dried up.

The human heart rests about eight-tenths of a second between each contraction.

Many people could retire comfortably on what their experience has cost them.

BEST WELCOME

ONE of Canada's continuing needs is more people. There is still room for many millions more than we now have.

The best welcome we can give to those who come to Canada from other countries is to have here a country where there are:

1. Political freedom
2. Economic freedom
3. Incentive for the ambitious
4. A legitimate reward for all willing and able to work.

We must be able to show newcomers that Canada is a better as well as a bigger country than the one they came from.

CHAMPIONSHIP BREEDERS HONOURED AT BANQUET

Mr. Ross M. Kohler and son Doug were guests of honour at the regular dinner meeting of the Rotary Club, Cayuga, on Tuesday evening, in addition about 25 prominent breeders from various points throughout the county were present to do honour to Mr. Kohler and son.

To make the event more notable, Mr. W. P. Watson, Live Stock Commissioner for Ontario, was guest speaker. Mr. Watson, who is quite well known to Haldimand cattle breeders, extended congratulations to Mr. Kohler and son on their history-making double win at the Royal Winter Fair this year when they had the distinction of winning the Grand Champion in the carcass class and Steer of all breeds at the Fair.

The speaker said that the county should be proud of the fact that within ten years the county has won some years ago Mr. F. W. Reschold & Son, of Jarvis, had also won the large increase in beef cattle Canada. The breeding of better cattle had resulted in quite an increase in beef consumption.

Following the splendid dinner of which course featured choice roast beef, Rotarian Bert Kee introduced Mr. Kohler and son, who were in the audience. Mr. Watson, in introducing the speaker, reviewed some of his achievements during the years Mr. Watson has been connected with the Department of Agriculture.

Mr. L. E. Mahlenbacher, on behalf of all present, thanked Mr. Watson for our tribute to Mr. Kohler and son. Arrangements for the evening were in charge of Rotarian Bert Kee, and the thanks of all are due him for the fine gathering to do honour to Mr. Kohler and son.
