Plaque Commemorates Names of Civic Leaders

Hon. Jas. N. Allen Recalls Highlights of Past Achievements

The following is a brief address and introduction of the Minister of Highways by His Worship Mayor McQuitty at the unveiling of the commemorative plaques at the Municipal Building, Dunville, on Monday, Feb. 11th, 1957.

Mayor McQuitty—"Some time ago, it was suggested by the Clerk that it is not necessary to be in attendance to win a good Door Prize. 4-31c

and fearlessness of the various citizens who have become Reeves of the former Village of Dunville. It was suggested at that time that some type of plaque be purchased and the names of those Reeves and Mayors be put on this plaque. This has been done, and this evening, we are very happy to have former Mayors with us. I would just like to point out the fact that Dunville became an incorporated Village in 1860 and became a Town in 1900, which means in we will have a Centennial in the Town
