Mrs. Elliott of Waterford, a special guest for the afternoon meeting sang "His Eye is on the Sparrow" in a very pleasing manner. The scripture, Psalm 98, and prayer, were given by Mrs. Page, after which she asked everyone to name her favourite hymn.

## Saving Dollars For Haldimand Farmers Through Bulk Handling of Cafeteria Feeds

Cafeteria feeds are money MAKERS. Bulk handling is a money SAVER. So when you can buy CAFETERIA FEEDS AT BULK PRICES, you have a proposition with a lot of pocket-

A year ago, we offered that proposition to the farmers in our Nelles Corners trade area. Within a few months, the demand had swamp ed our original 4-bin set-up and we had to build more. Within the year, we have expanded to 16 bulk bins at Nelles Corners, and they're all working at top capacity.

Recently, we have installed 8 new bulk bins at Selkirk and 7 at Cayuga, to extend the same money-making-money-saving proposition to feeders in these areas. And our plans call for an 8-or-9-bin set-up at Hagersville, as soon as we can get around to it.

If you are within reasonable distance of any of these bulk-bin installations, it will pay you to take advantage of it. Cafeteria feeds are absolutely tops in quality. Our bulk-delivery prices are \$5.00 per ton less than we have to charge for the same feeds in bags ... with another \$2.00
