

MOST PRECIOUS METAL

STEEL is the foundation of the material well-being of every nation. Without steel there could not have been much progress. For steel is almost everything. There is steel in the modern church, school, hospital, an college, and in the making and preparing of all building materials. There is steel, too, in the weapons of defence, without which the peoples who desire to maintain peace soon lose their freedom.

Stelco as the largest Canadian steel-taker is proud of the part its products have played in the development of Canada.

CHOICE SEAT FOR

The Performance of the Year!

A GENERAL MOTORS VALUE

Be Our Guest!... TAKE A ROCKET TEST! DRIVE OLDSMOBILE'S SPARKLING SUPER 88!

Front seat, left side—right smack behind the wheel of a new "Rocket" Oldsmobile! It's the choicest seat in the house! For that's where you get that solid, level-smooth driving sensation, the highway-lugging feel of Oldsmobile's deep-braced Wide-stance Chassis. That's where you'll sense the phenomenal power of the husky, high-compression Rocket T-400 Engine as your toe nudges the gas pedal. And that's where you'll smile to Oldsmobile's nimble response as you park, corner, manoeuvre through traffic.

And for looks... here's beauty that's clean and uncluttered—fresh, pure lines that live longer, that will be in style years from now.

So any way you look at it—for power, for beauty, for comfort, ride, safety—here's the one that's got everything you want in your next car. And what's more, the price is always right for a Rocket. Come in for a thrilling lift in your life. Be our guest... a warm welcome is waiting for you when you stop by for your Rocket test.

smooth partner for Rocket Power
Jetaway
Hydra-Matic drive

All the flashing action of positive gears with the liquid smoothness of two fluid couplings... that's what you enjoy with Oldsmobile's great Rocket T-400 engine and Jetaway Hydra-Matic drive. Jetaway delivers most of the engine's power to the wheels, eliminates fuel waste. From take-off to top speed, the flow of power is steady and silk smooth. And in "Super" and "Low" ranges, Jetaway gives sure, safe braking action for descent of steep hills. Greatest automatic drive in cars today!

ARTFUL BIRDS—

That was disturbing news from Newfoundland the other day about a budgie that has learned to chirp the station breaks at a St. John's radio station.

Budgies are all right in their place, as family pets, but give them an inch and they'll take a mile. If too many of them find out they can do the job of people, there's no knowing what may happen. The word may even get around to parrots.

Budgies, whose popularity has grown tremendously in recent years—probably because urban growth makes it increasingly difficult to keep cats and dogs—usually have over any household within a few weeks. We've known housewives who've left dishes unwashed, beds unmade while they sat for hours before a cage talking baby talk to a mile of a bird.

We've heard of other houses where the husband was left standing on the side in the cold because the budgie was loose in the living room and bath in the tad's milk. If they don't fly out on an open door, they'll find a way to get in. One happy home almost broke up last summer because the wife insisted on buying screens for all the windows, to prevent the bird from flying out into the blue.

Children, bless 'em, love budgies especially when they swoop down over the breakfast table and take a bath in the tad's milk. If they do this often enough, the youngsters don't have to drink the milk. Children, bless 'em, love budgies especially when they swoop down over the breakfast table and take a bath in the tad's milk. If they do this often enough, the youngsters don't have to drink the milk.

Enthusiasm aroused from their first visit here will guarantee a record attendance.

It was most regretful to us that Sam Morris was unable to attend a banquet in Hagersville last Friday night and hear at first hand from the lips of a distinguished Parliamentarian, something of what is going on in the House of Commons these days.

The cast of the minstrel show, the ticket sellers, the ticket takers, the ushers, the prop men and other members of the troupe, were all between now and next Friday, March 29th. The show that has found wide acceptance locally over the past three years is almost ready for the fourth annual presentation. Except for growing ulcers and stage fright generally the cast is in good shape. The Director is getting half-way but continues to work around the clock. The Musical Director has reserved a room in a rest home for Saturday morning, March 30th and will not be seen again for thirty days. Under these circumstances it is bound to be a good show so get your tickets now and avoid disappointment.

HEAVY IMMIGRATION

Officials are making arrangements with shipping companies and private airlines in the expectation that 200,000 immigrants will come to Canada this year. This would be the largest number of arrivals in any one year since 1913, when a record 500,000 settled in Canada. Arrivals last year totalled 264,837 and the post-war record was 194,291 in 1951.

About half the arrivals, or some 100,000, are expected to come from the United Kingdom. It would be the largest flow of British immigrants since the record 1913 year, when 457,000 arrived. Newcomers from the U.K. totalled 59,563 last year and 30,195 in 1955.

Most will come by ship but large numbers, especially from Britain, will be transported by planes chartered by the federal government.

Freddie Higgins, Preston's long distance swimmer, has started serious training for an attempt this summer to swim the 32-mile stretch across Lake Ontario.

IMPORTING DIESEL TRACTORS FOR USE ON ONTARIO FARMS

Hamilton, Ont. - Doughty & Williamson local International Harvester dealer has received an announcement from R. B. Bradley, president, that International Harvester of Canada has placed an order with International Harvester of Great Britain for a large quantity of farm tractors to be shipped immediately for spring use in Eastern Canada and British Columbia.

Mr. Bradley's announcement read in part: "For the first time in over 50 years our Company plans to make large purchases from England, on a continuing basis, of farm tractors and other machines of types not manufactured in Canada, but ideally suited to Eastern Canadian farming conditions. Research and manufacturing of Great Britain that fills a definite need long expressed by many of our customers."

"No longer will the benefits of simplicity of design and economy afforded by Diesel engines be confined to the large operator. We are happy that Great Britain's manufacturing and research skill have provided us with a Diesel tractor that can be sold in a price range within the reach of operators of small farms. The tractor is designed to be used with a great variety of farm machines which will be produced in Harvester's Farm Equipment Works at Hamilton, Ontario.

"Thus, this purchase will mean additional dollars available to British Columbia farmers."

Anglican Church Notes

Miss Helen Richardson, the new organist at St. Paul's, played for her first service on Sunday morning and showed herself very competent.

Choir Practice (Jarvis) on Thursday at 8 p.m. in the Parish Hall.

St. Paul's A.F.P.A. will meet on Friday at 7:30 p.m. also in the Hall. The special Lenten Services, at both churches, are being well attended.

RENTON

Mrs. Leo Chailand has returned to her school after being confined to her home with Laryngitis. A large crowd attended the Eucharist and dance held in Wiggins Hall on Friday night.

Mrs. Mary Buck of Simcoe spent a few days this past week at the home of Mr. and Mrs. Chas. Mitchell.

The March meeting of the Renton W.I. was held at the home of Mrs. D. D. Doughty on Wednesday afternoon.

Thirteen children members of Mt. Zion Sunday School received certificates and Bibles for perfect attendance since for 1956.

Mr. and Mrs. Jack Pollard and family of Dundas, spent Sunday at the home of Mr. and Mrs. H. McCavill.

JARVIS-GARNET Y.P.U. MEET

Eileen Doughty opened the meeting on March 5th with a hymn. Jean Davidson read the minutes. We decided to have the Presbytery Executive at our meeting on April 4th.

Eileen Doughty had the topic and Worship on "Stewardship and Training."

The meeting closed with games and lunch.

Trucks available by calling Gordon Johnson, phone 67-13, Jarvis, Ont.

tain for purchase of Canadian produce and at the same time will increase our employment at Hamilton.
