## Regular Meeting

## Walpole Council

The Ontario Hydro Frequency Standardization program calls for conversion to 60 cycle hydro in Jarvis next January. This area is the last in Southern Ontario in the "operation changeover" program.

Details of the magnitude of the undertaking were explained to the members of the Lions Club on Monday night by J. C. Webber, Field Publicity Officer of the Hydro Electric Power Commission of Ontario. Mr. Webber explained the reasons for undertaking the project and the ultimate benefits to consumers and the magnitude of the planning that is necessary to carry out the program with the least possible inconvenience to the public.

When the actual changeover takes place hydro will be shut off to consumers not more than fifteen minutes. The technicians then go to work on converting the electrical equipment in the home according to a plan prepared by fieldmen prior to the conversion date.

The speaker of the evening was the Rev. John Bartlett, Diocesan Director of Christian Education, who spoke of the life and preparation of the teachers. Mr. Wm. Balaban of Caledonia, read the minutes. Grace was said by Mr. Jack Cooke of Jarvis. The speaker was introduced by Mr. Cochrane of Caledonia, and thanked Mr. A. Roth. Thanks to the ladies was expressed by the Rev. J. Mayes of Cayuga. The Rev. J. T. Conroy, pastor of Dunville, pronounced the Benediction.

The banquet was supplied by the members of Nanticoke V.A., assisted by members of Broadway W.A.
