HOSPITAL PLAN WILL BE EFFECTIVE JAN. 1, 1958

Blue Cross supplementary semi-private hospital coverage will be available at the same time the Ontario hospital insurance plan goes into effect next Jan. 1, the Ontario Hospital Association announced at Toronto.

The Blue Cross plan will not overlap or cause duplication of any benefits provided under the provincial plan, said S. W. Martin, secretary-treasurer of the hospital association. The combined cost of the provincial insurance and the OHA supplementary coverage, he said, "will for many people, be less than present Blue Cross rates."

The Ontario hospital insurance plan will have premium rates of $2.10 a month for single persons and $4.20 a month for families, it was stated when the details of the plan were announced at Toronto last Friday.

MANY GO HUNGRY

The connection between low income and inadequate diet is strikingly illustrated in a new report by the Food and Agriculture Organization of the United Nations.

One table in this comprehensive FAO report issued in Rome shows the cost of a representative diet of 3,000 calories, for one person for one day, represented 4½ hours' work by an average factory worker in India.

The same one-day food supply represented 3.8 hours of work in Japan to 3.2 hours in Italy. By contrast, the figure is 0.5 hour in Canada, 0.4 in the United States. This particular table is based on 1953 levels.

Three different diets were used for this compilation, the 3,000 calory one being the highest. Others had 2,500 and 2,100 calories.

"It is apparent that in the poorer countries," says the report, "the more nutritious and expensive diet would be utterly beyond the means of the average factory worker, unless he were a single man without dependents.

"Even for the meager diets usually consumed in these countries, the number of hours to be worked greater than is necessary in economically developed countries for a much superior diets which they joy."

Even an elementary knowledge nutrition could go far to overcome the handicap of poverty, says the port. Greater emphasis on economics and consumer education could have important effects on health.

Where average incomes are so low for a fully balanced diet for anyone, there is much to be said for channelling a larger share of "protective foodss" to the most vulnerable groups, including children and mothers.

The report calls the spread of scientific knowledge "the most powerful means and other welfare schemes such purposes one of the most encouraging developments since the Second World War, and one of the most striking results of the growth of knowledge of nutritional principles."

But, it finds, large sections of the neediest of the world's people are still untouched by these developments and what remains to be done is greater than has been accomplished.

CUBS AND SCOUTS

The Scout Troop had 28 members at their meeting on Monday night which turned out to be a very good meeting.

The boys worked hard on the Scout tests with a number of boys completing their Tenderfoot Tests and they are ready to be invested into the Troop.

A couple of peppy, noisy games were played, but every after them, some of the Scouts still had lots of energy.

The next regular meeting will be held Monday, Nov. 18th, and we are hoping for a full attendance as we can be there to witness the investiture of some of our boys into the Troop. Let's not forget the parents are invited to this meeting and hope for a good attendance of parents, whether their boy is to be invested or not. See you there Mon.

Meeting called for 7.30, inspection at 7.45 and the investiture to commence at 8 p.m. Be on time, be prepared.

Motor Vehicle Accidents In Province of Ontario

A total of 902 persons were fatally injured in motor vehicle accidents in Ontario in the first nine months of 1957, according to a report issued recently by Transport Minister Jas. N Allan.

"The 902 deaths represented an increase of 92 or 12.6 per cent from the corresponding total for the same period of 1956. The larger (16.8 per cent) advance occurred in the first six months, while the increase in the three heavy traffic months of July, August and September increased by 4.3 per cent," Mr. Allan said.

"In terms of greatly expanded traffic this represented a realtive improvement but much greater efforts must be made to drive and walk safely during the final quarter of the year.

"More than 30-per cent of the total deaths usually occur in the last three months of the year when drivers and pedestrians have to face the added dangers of the late fall and winter period.

"I urgently request the support of all agencies, official and otherwise and all citizens to help reduce the number of needless accidents that occur during this season of early darkness, unfavorable road surface conditions and generally increased hazard."

Remembrance Day Program At The Lions Club Meeting

November Meeting St. Anne's C.W.L.

The November meeting of the St. Anne's Subdivision of the Catholic Women's League was held in the home of Mrs. Leo Montague.

The president, Mrs. James McCarthy, opened the meeting with the League prayer. In the absence of the secretary, Mrs. Charles Meehan, the minutes of the last meeting were read by Mrs. Wilfrid McCarthy. Following this, a report was given by the treasurer, Mrs. Michael Meade.

Mrs. Norman Millar gave an interesting account of the Regional meeting of the C.W.L., which was held in the Parish of St. Anthony Daniel, in Scotland, the theme of this meeting being "Religious Drama." Other members attending along with Mrs. Millar were Mrs. George Anderson, Mrs. James McCarthy, Mrs. Wilfrid McCarthy and Mrs. William Addison.

Miss Leone Levine, Spiritual Convener, stressed the importance of League attendance, aims and ideals. Then, Mrs. George Anderson, finance convener, thanked the members for their fine co-operation which helped to make the recent bake sale a success. Mrs. Anderson also drew attention to the Christmas Doll, and it's complete home-made wardrobe, on display in the window of Tony's Restaurant, Hagersville, tickets for which are available at 25c each or 5 for $1.00.

The director, Father Sullivan, expressed his pleasure at the number of members present and then introduced the special speaker of the evening, Rev. Father Hulley, who is currently on the teaching staff of Cathedral High School in Hamilton. Father Hulley gave a most interesting and informative talk on Child Psychology.

Following this, Mrs. John Brohman moved the meeting be adjourned and it was closed with the Act of Consecration to the Blessed Virgin Mary.

The members then participated in a Penny Sale, after which a delightful lunch was served.

In the Community Hall, Jarvis, on Wednesday, Nov. 20th. Supper from 5.30. Adults $1.50, Children 65c. Under auspices of C. P. & T. Committee. Proceeds for charitable purposes. 45c

The Remembrance Day program for the regular meeting of the Jarvis Lions Club will be long remembered by the excellent turnout of members.

The speaker of the evening, Capt. Jack Carswell of the Hagersville Army Camp, was introduced by Lion Glen Reichold of the program committee. It was very fitting indeed that for an occasion such as this that the speaker should be a veteran of 18 years' service with the Canadian Army.

Speaking out of uniform and as plain, Mr. Carswell the Captain, gave us an illustrated tour of some of the world's most famous Monuments of Nature and of Man.

Commencing in the lake district of Westmorland, England, we were treated to the beauty of nature, and man made beauty in Scotland, British Columbia, Yellowstone Park, Salt Lake City, Utah; The Swiss Alps, Italy, Paris, France; London, England; the ancient wonder of Stonehenge, and finished our tour at Runnymede, the beautifully, simple memorial to the Commonwealth's dead who lie in unknown graves.

Appreciation of Capt. Carswell's wonderful photography and interesting commentary was made by Lion Dave Banks on behalf of the Club.

Dedication of Wesley Christian Education Building Next Sunday

Sunday, November 17th, will mark the Official Opening and Dedication of the new Christian Education Building in connection with Wesley United Church, Jarvis. At a congregational meeting in November, 1955, it was decided to expand the Sunday School accommodation and a Building Committee, comprising of James Andrews, chairman; Mrs. Fred. Fish, secretary; Donald Duxbury, Harold Johnson, M. A. Collins and Mrs. Earl Stallwood, was appointed. In October 1956, the congregation agreed to the proposal of the Building Committee, to erect a new structure, rather than to remodel the old building, which had been erected in 1898. An architect suited, who drew up the floor plans for the present building with minor changes. The following were appointed as the Finance Committee: Laird Miller, Chairman; Bryce Linklater, Secretary, and George Walker, Treasurer, and Wray Lundy was added to the Building Committee.

Work commenced demolishing the old building in April of this year, an gan construction in May. The cornerstone was laid on Sunday, June 30 of installing the heating, wiring, and plumbing, while Donald Howden and Earle Bothwright have decorated the building. Harold Johnson has been the overseer for the complete project. The new building is one of which the Wesley congregation is justly proud.

The president of Hamilton Conference, Rev. A. R. Cragg, of Waterloo, is to be the guest speaker at the 11 o'clock service on Sunday, and will officially dedicate the new Christian Education Building, and its furnishings. Both Junior and Senior Choirs will be in attendance. Rev. S. B. East, of Islington, a former minister, will speak at the 7.30 service, with Mr. Gordon Middaugh, of Simcoe, and the Senior Choir, giving special music. The minister of Wesley Church, Rev. J. A. Logan, will be in charge. Invitations have been extended to all former members and friends living at a distance to attend the dedication services, and all friends of Wesley are cordially invited to be present.

An Open House and Reception will take place on Thursday evening, November 21st, at eight o'clock, to which all families and friends of the congregation are invited, as well as former ministers and their families. Rev Clarence Ferguson, of London, Field Secretary for Christian Education, will speak, and will be assisted in the program by the Mid-Week groups, as well as the Sunday School Boys' Classes. Mr. Allan Lundy will show his pictures of the demolition and progress of the new building to the present congregation, while the ladies of the congregation will be serving refreshments. It is hoped that everyone will avail themselves of this opportunity to visit the new building and to see its relationship to the Christian Education of the congregation.

Reports were heard from the Ralce Sale Committee which indicated everything was in readiness for this event. The ladies of the group reported the chairs for the nursery had been painted and also that five tables for the primary room had been purchased.

During the evening a very delicious lunch was enjoyed, supplied by Mr. and Mrs. Ralph Gowan and a vote of thanks was extended to them by the group.

Knox Church Women's Groups

Mrs. Mary Taylor entertained the Ladies' Aid and W.M.S. of Knox Church, on Tuesday afternoon, Nov. 5th.

The Ladies' Aid convened at 2.15 p.m. with the president, Mrs. Alfred Walker opening with scripture reading, followed by prayer by Mrs. Lily Miller. A report of the Anniversary Supper, discussion re church improvements, and the rehiring of the caretaker, were chief items of business. The Ladies' Aid decided to allow the W.M.S. to take over the table at the Bazaar with Mrs. A. J. Miller, Mrs. Chas. Ionson and Mrs. Maud Barnes in charge.

The W.M.S. was in charge, with the secretary, Mrs. O. Williamson, assisting.

Note was made of the fact that Miss Annie McNeill was the only Life Member of Jarvis W.M.S. Mrs. Lily Miller was named Glad Tidings Secretary to succeed Mrs. Fleming. Mrs. O. Williamson invited the annual meeting in December to her home.

Mrs. Craddock convened the program, reading the story of the Missionary, Mary Anderson, born in India and personally labouring in British Guina.

Mrs. Chas. Ionson read a timely article entitled "The Queen." Mrs. Peter Banks read the scripture lesson and Mrs. Chas. Powell led in prayer.

Mrs. Cora McKenzie moved a vote of thanks to the hostess. The president closed the meeting with the Lord's Prayer.
