Sponsored by the Jarvis Lions Club Jarvis Community Hall THURS., OCT. 31st

a grocer, and Mr. J. H. was a hardware merchant the to visit my father in the purpose of having him lant to Dunnville where reason as available, as naturbeen discovered in the vicever, Mr. Griffin was not ably impressed, but Mr. that he would be willing a Company five hundred ey would move to Dunnthe purchased two lots are for the sum of one sixty dollars; Mr. Wm. Britton, erected a building.

Mr. Yundt answered many questions relative to unemployment insurance and its application in specific cases. He pointed out that the Sim-coe office had paid out more than half a million dollars in Insurance benefits in the first seven months of this year. The speaker was introduced by Lion Bill Clark who is supervisor of employment services in the Simcoe Office. Lion Bill Snowden operated the film machine which was loaned for the occasion by M. William Henderson.

Lion Bill Clark reminded the members of the annual Remembrance Day

Mr. and Mrs. Allan Lundy were in Detroit the first of the week. Postmaster and Mrs. Stanley Burditt have moved into their new home on Main St.

Mrs. M. S. Caldwell of Toronto has returned home after spending a few days with Mrs. Maud Barnes. Mrs. Ida Fulsom has returned to her home in Hagersville after spend-ing some time with her daughter, Mrs. Alfred Marr.

Miss Frances Evans, who has been visiting Mrs. Lillie Miller has gone over to Nanticoke for a week before returning to her home in Oakville. Mrs. E. M. Jones entertained on Thursday evening last in honor of Mrs. J. A. Fleming, who left Jarvis on Friday to make her home in Kitchener.

Clifford J. Roulston of Brantford was a welcome guest at the home of his mother, A. V. Roulston on Sunday evening. He being musical like his mother, both parties had a most enjoyable evening long to be remembered.

Dramatic new styling and outstanding engineering advances are combined in the 1958 Chevrolet. Completely new from bumper to bumper and from frame to roof line, the 1958 Chevrolet is longer, lower and wider, and emphasizes flowing sculptured lines from the dual headlamps to softly flared rear fenders. Sturdy coil springs, front and rear, are standard, while a new "Level Air" system which automatically adjusts to all load weights is optional. Shown
