THE JARVIS RECORD

Lions Plan to Retire
All Hall Debts in 1957

Whenever a call goes out from the Red Cross Blood Donors it can be taken with confidence that the first to contribute will be one of the members of the Jarvis Lions Club. The main project for the year is the retirement of the outstanding debt on the Community Hall. The Hall, improved toilet facilities and a plaque to be placed at the front of the building.

It is understood that less than one thousand dollars will make the building debt free and the other items mentioned will improve the facilities greatly.

Plans are already under way for a far and he expects to continue in the future. The Lions Club has been a great asset to the community and it is hoped that the Lions Club will continue to be a great asset to the community in the future.
