

Plane Crashes After Circling Out of Control

Canboro District Houses Endangered

An abandoned United States Navy F32 jet crashed into a clump of trees near several Canboro farm houses late Saturday afternoon after the pilot parachuted to safety in a field eight miles north of Dunnville.

The pilot, Major M. E. Landis of the United States Marine Corps Reserve at Niagara Falls, was uninjured when he parachuted to the ground. Observers said he narrowly missed hydro wires.

Everything happens to Bob Phibbs. Last Thursday he fell about 20 feet while dismantling the former Henderson home on Talbot St. suffering painful bruises from top to bottom.

For the past several years we have been faced with the problem of finding suitable jokes that can be used in a minstrel show that will make the customers roll in the aisles and yet at the same time be one in the audience of 600 people.

The Federal election is getting under way this week and nominating conventions have been announced for the Liberals and Progressive Conservatives.

"A Little Child Shall Lead Them" (By Lewis Milligan)

Wonder is the first reaction of the infant mind to the new world in which it finds itself. It is the dawn of consciousness and individuality. Plato claimed that all acquired knowledge was a form of memory, reminiscence of a pre-existence, and Wordsworth expressed the same idea in the lines: "Not in entire forgetfulness, But trailing clouds of glory do we come."

From God, who is our home, and he added, "Heaven lies about us in our infancy."
