February Meeting Of Garnet W. I.

The February meeting of the Garnet Women's Institute was held in the S.S. room on Thursday afternoon, with Mrs. M. Phillips presiding. The meeting opened with the singing of the Ode, then repeating the Mary Stewart Collect and the Lord's Prayer in unison. An item from the hand book was received. The response to the roll call, "An Idea on Being a Good Neighbor," brought varied answers. All joined in singing the W.I. Song "If You Lend a Helping Hand."

On the Farm Front

By Halldimar Harry
According to a recent release from Dominion Bureau of Statistics the income from the sale of farm products was down by 5 per cent in 1957. This can hardly be called news news as he has already experienced this drop. This does mean the farm buying power across the country will have been reduced to the extent of over \$125 million. In fact, it is estimated that the provinces with the exception of Ontario and British Columbia will have lost over \$100 million in farm cash returns.

al figures on the production of every butter during 1957 have issued and they show that in 1957 the output for the year was 2,478,296 pounds as against 2,631,000 pounds in 1956. This is an increase in production in Ontario of 6.9 per cent. There was a 10 per cent increase in production in Ontario in 1956. This is an increase in production in Ontario of 6.9 per cent. There was a 10 per cent increase in production in Ontario in 1956.

is expected that most farmers will be pleased with the fact that the Wheat Vote showed a 5 per cent increase in favour of the scheme. The total vote across the province was 80.8 per cent in favour of the scheme. The vote in the province did not fall below 64 per cent of those eligible to vote in the province did not fall below 64 per cent of those eligible to vote in the province.

A committee was appointed to work on the "Tree-trunk" History Book. Suggestions for writing Farm Histories were read. Each member was asked to contribute the history of their farm. A social evening will be planned when the history of this community will be the main feature of the program.

The Caledonia Fair list was read. The W.I. exhibit on "Father's Day" will be discussed next month. Reports of the Moss parties were given by the conveners, Mrs. J. Nichol and Mrs. H. Burgess. The next party will be held on Feb. 20th, when cards will be played as usual, then dancing to the record player, in the Community Centre.

A donation was made to the Garnet Church for the use of the S.S. room for meetings. The report of the Visiting Committee was given by Mrs. E. Phillips. The committee for this month will be Mrs. F. Rounison and Mrs. W. A. W. Mrs. J. Burgess, convener of the program on community activities, gave a reading "Good Neighbours." Mrs. H. Harrop presented the motto and Mrs. W. McMurchy gave current events. Mrs. M. Phillips introduced Mrs. R. A. Miller of Jarvis, who very capably told us "How places in Halldimar got their Names." Appreciation was extended to Mrs. Miller for her interesting talk by Mrs. Burgess.

Mrs. Miller announced the Cooking School sponsored by the Jarvis W.I. to be held two evenings, March 5 and 6. The meeting closed with the singing of "God Save the Queen."
