## Hog Vote Coming Up Soon

With 18 different farm commodities under some degree of supervision by duly accredited marketing boards in Ontario, this province is, these days, getting an intensive schooling in the problems associated with legalizing marketing controls. Not long ago peach growers finally finished a long and hard battle with the Ontario Peach Producers' Association and now a much larger group, the hog producers of Ontario are preparing to go to the polls. A plebiscite on a hog marketing plan under the Ontario Farm Products Marketing Act will be held on July 25th in 42 counties of Ontario, south and west of not including Muskoka and Haliburton.

Until the voters' list is prepared the exact number of persons eligible to vote can only be estimated. There are about 40,000 commercial hog producers in Old Ontario; there may be some other farmers who raise a few hogs and these will also appear on the voters' list. It is likely that 70,000 would cover this total.

Each of the 42 townships in the voting division, and the township clerk will be the deputy returning officer, must vote in the final poll, and they will prepare the voters' list. A preliminary list was prepared by June 1 and posted for at least 14 days prior to the court of revision which will be held July 4th. The poll officers will be sworn in at that time and hear applications for revisions of the list. Following the preparation of the list, a final appeal may be made to the Farm Products Marketing Board at Queen's Park, Toronto, July 14 to 16. After this date no name may be added to the list.

Where farms are situated in a town or village the owner's name should appear on the list and he must vote in the township in which he resides. Polls will be open from 10 a.m. to 8 p.m. on voting day, and there will be only one poll per township which will usually be in the Township Hall. Poll officers will be paid by the Ontario Department of Agriculture, and scrutineers may be appointed by the township clerk.

Any person who produces hogs on his farm is entitled to vote and to be on the list. Whether he is a tenant, he must not own the land, but he must be on the list. In the case of partnerships or corporations only one vote will be allowed per farm or per corporation. There are no age or citizenship requirements for voting.

BINGO—Under auspices of Lady of Lourdes Church, Hagersville, will be held every Wednesday at 8:30 p.m. in the Church basement. Cash prizes. Special Games. Good Jack Pot. 20c

## PREPARATIONS WELL UNDER WAY FOR INTER. FLOWING MATCH

While summer has just begun, already there are whispers of fall in the air with preparations going on for the holding of the Inter-national Flowing Match in October.

F. A. Lashley, Secretary-Manager of the Ontario Plowmen's Association reported recently that applications for space are reaching his office daily and that there is every indication that this year's match at Crysler, Ontario, will see an exceptionally heavy number of exhibitors of plow machinery and equipment.

The preliminary prize list estimates \$15,000 in cash, trips and trophies to be ready for distribution and is being mailed to interested persons on request.

This year Ontario has been chosen as the host province to the Canadian Seed Growers' Association of Ontario, which will be held at the Ontario Agricultural College, Guelph, from June 24 to 26.

Arrangements for the match are being made by the Ontario Plowmen's Association, which is holding the match at Crysler, Ontario, on October 10 and 11.

The match is a competition between plowmen from various parts of the province, and is held annually at Crysler, Ontario.
