

HOW COOL IS YOUR HOME THIS SUMMER?

As cool as you like-automatically-electricallythe kind of comfortable coolness you long for on sticky, hot days-the kind of coolness that only low-cost electrical air-conditioning can provide. You sleep better, work better, live better, when your home is air-conditioned.

Live Better ELECTRICALLY

Whistling past the graveyard

This driver is a lot closer to the graveyard than he thinks. At the speed he's going, even a minor many fatal accidents on the road. And sometimes even the speed limit can be misleadi be within the limit and still be going too fast for driving conditions. Here's an easy rule of thum! to guide you to a safe speed: always drive at a speed that will enable you to stop in the distance that's clear ahead. At night, drive at a speed that will permit you to stop within headlight range is too high or not is to watch the traffic around you. If you are passing most of the other cars on the road, you are going too fast. If most of them are passing you, you are going too slow. Your Ontari
