There's a contest in every seat in the federal election on March 31. The official nominations produced no acclamations. They furnished a total of 832 candidates. The Progressive Conservatives under Prime Minister Diefenbaker, and the Liberals led by Lester Pearson, are each contesting every one of the 285 seats.

The Coyne Club was held at the home of Mrs. Russell Weaver, March 15th, with 12 members present. The minutes were read and approved. Roll call for next meeting will be something for the Bazaar. Some discussion on Summer Bazaar then took place. We presented an apron with everyone's name on it to Mrs. Roy Field, who had moved to Jarvis. The next meeting will be held at Mrs. Wm. Evans' on April 16th. A lovely lunch was served by our hostesses.

Jarvis Chevis Now In Inter. "B" Finals

The Jarvis Chevis advanced into the Intermediate "B" finals as they rolled to an easy 9 to 3 victory over Princeton on Saturday night. The Chevis are now in the semi-finals in three straight games in the semi-finals.

Don Mitchell led the Chevis at attack with 4 goals and 2 assists while John Edwards scored 2 and had 4 assists. Other Jarvis scorers were Rob Nixon, Ivan Chambers and John Goetz.

The Chevis led 2-0 at the end of the first period on 2 goals by Don Mitchell.

In the middle frame each team tallied once. John Edwards for the Chevis and Gerald Harmer for Princeton.

In the third period the Chevis put on a burst of power and tallied 6 times while Princeton scored twice. For Jarvis Don Mitchell scored twice, Rob Nixon, Ivan Chambers and John Goetz each scored singles. Bruce Ford for Princeton.

Jarvis received 12 penalties to 7 for Princeton.

Neither team showed too much hustle or drive in the first two periods, but the Chevis picked up in the last frame and looked like they did in the two previous games.

The highlight of the night would be a tape recording taken in the Jarvis dressing room unbeknownst to any of the players. I haven't heard the play back yet, but I doubt if it will be available to the public.

Jarvis hasn't received any word as yet when the finals will start or who they will play.

Last Friday night the Northern team played a game to play in the first round, so their semi-finals would not likely start until sometime this week, and that likely means the Chevis will not be playing until sometime next week.

If the teams that the Chevis meet in the finals is very far away, the series will likely be a 2 out of 3, so it could be possible that there may be only one more game in Dover, depending whether the series is won or lost. Jarvis wins or loses the flip for the third game.

We would certainly like to see a lot more fans out to the next game as the crowd has been rather small so far this season, and it is only a year ago since Jarvis broke the attendance record at the Dover Arena, and that was in a game where Jarvis was playing as good hockey and just as exciting to see.

Other League teams engaged in the O.R.H.A. play-offs are Lamb's Corners in "C" and like Jarvis they are awaiting word as to who they will play.

Escherville, the "A" entry, has advanced to the semi-finals by beating out Ayr last Tuesday night and haven't heard word whether they know who they will meet.

George Hees Addresses Large Political Gathering

(Caledonia Sachem)

The Honourable George Hees, Minister of Transport gave a spirited address to nearly 400 at Hagersville on Friday night last. The occasion was a joint meeting of the Caledonia and Hagersville Progressive Conservative Associations. Some 70 from Caledonia attended.

In referring to the Conservative candidate John Charlton, Mr. Hees said, "It is making a tremendous contribution not only to this riding but to Canada. He is a well informed man and one who is listened to when he speaks."

The speaker said that there is an amazing change taking place in the country which is evidenced by from 10 to 20 times as many attending Conservative meetings as in 1957. He attributed this largely to the fact that the general public recognizes that in John Diefenbaker, Canada has a man who keeps his promises.

John Diefenbaker, said Mr. Hees, is a man of great vision. Just as Sir John A. Macdonald built the C.P.R. railroad from east to west enabling Canada to develop into a nation, John Diefenbaker plans to develop Canada north to south. This will mean airfields, railroads and highways which will provide for more jobs than there are Canadians to fill them and will include the providing of considerable help in the form of immigration and re-education of immigrants.

Mr. Hees said that he was proud to be a Canadian and that he was proud to be a member of the Conservative Party.

The speaker referred to the Pearson Plan as one of death-bed repentance. He said, "It is necessary now, why not 9 months ago?"

Mr. Hees was introduced by John Charlton and thanked by the Hon. James N. Allan.
