t in the United States. In live stock sales were down he line. It has been reportedal U.S. inspected meat prosofar in 1958 has been down recent. This will likely have call effect on the Canadian rade although cattlemen in are petitioning their govern-revise both tariffs and quot-mported cattle as well as anned and processed beef, request is granted it could strict the exports of slaughle across the line.

Oultry meat market seems to be brighter. Storage stocks

Poultry meat market seems to ittle brighter. Storage stocks try on April 1st were about the pounds less than a year spite of the fact that poultry ing through registered state we been up some 15 per cent. Ould indicate a very brisk and disappearance. Somebody eating a good deal of chicked is the only part of the inhowing any increase. Storadings of broiler meat is down a million pounds and chicked the pounds in weight is down the million pounds. Turkeys agricultural representative.
