

We thought it was nice of Norm Graham, Jim Lathour and Allan Awde to extend their thanks to the people who helped with their Bantam Ball Team this year, through a letter to the paper last week.

We feel it is only proper therefore, to reciprocate, on behalf of the community, and say thanks to these fellows for their efforts during the season. Certainly if any thanks needs to be handed out, it should go in their direction. It should be pointed out, however, that they neglected to say thanks to the Intermediate Ball team.

It was through the efforts of this organization that the Bantam entry fee to the O. A. S. A. was paid and also the insurance for the protection of the Bantam players. We mention this only because of the fact John Martin is the treasurer of the Intermediate Ball team and he probably would be accused of using that money to buy gas for his car if the truth were not known.

Selkirk beat out Electric in the

Intermediate "D" semi-finals. That's what we call news. It seems to us that should give Joey Dennis and his team-mates some considerable satisfaction after what Electric has done to them in previous play-downs. Selkirk will open the first game of the finals at Selkirk on Saturday night against Mount Zion. Game time 8:30 o'clock.

Mount Hope and Port Perry evened their Intermediate "B" series at Mount Hope last Saturday night when the visitors came through with a 1-0 win. The same margin Mount Hope had against Port Perry in the opening contest. The third and deciding game will be played at Port Perry next Saturday afternoon at three o'clock.

One team from the Haldimand-Norfolk Floodlight League has already made the Ontario O. A. S. A. finals and two others are right on the brink of the final series. This must be some kind of a record for a four team league. Were kinds hoping the whole three—Selkirk, Jarvis and Mount Hope can come up with a crown. That should call for some kind of a celebration.

B-sides drawing a couple of hundred fans from Jarvis, the game at Brooklin last Saturday night, brought Mr. and Mrs. Rix Beard all the way from Orillia and Mr. and Mrs. Bob Fitch from Lindsay. That's loyalty from former Jarvis residents. We learned later, however, that Earl Marr had called on Rix in Orillia a few days before the game and gave him instructions to attend. The same of a small can of salmon and a half box of soda crackers.

JARVIS W.I.

The September meeting of the Jarvis W.I. was held at the home of Mrs. John Kramer. Mrs. H. Belknap opened the meeting in the usual manner. It was decided to have an exhibit for the 4-41 Club at the Canada Fair "A Table Set for Two".

Final arrangements were made for the Father's Day exhibit at the Fair. Plans were made for our next regular meeting to be held at Grandview Lodge. Dunville and will also include a tour of Dominion Fabrics Ltd. A short course "Treasures in your Attic" will be held in January of next year in Jarvis. The members were urged to attend the Fall Rally to be held in York on Sept. 15th at 1:30. The final purchase of the 3 food carts and the tea trays was completed for the Community Hall amounting to \$220.00. Mrs. Wm. Davidson conveyed a fine programme consisting of the motto by Mrs. A. Lundy "The Peace of the World depends on Food". A discussion and talk on "Safety Precautions in the Home" by Mrs. W. Davidson. Current Events by Mrs. H. Belknap and a humorous reading by Mrs. Robert Dwyer.

The highlight of the programme was the final travel talk by Mrs. F. Reichold on her recent trip to England. Mitchell had visited him in Lindsay (in quest of a loan, no doubt) and got a firm promise from him to bring lunch for the Jarvis fans in attendance. He brought the lunch alright but, true to form, it consisted of a small can of salmon and a half box of soda crackers.

land to visit her daughter Mr. and Mrs. Ward Parsons. Her talk included a description of the Royal Grist Mill and other interesting places. Mrs. M. A. Collins gave a talk on the Study Book. Over \$5.00 was made on the Sale of Fruit Bread and recipes. Mrs. Belknap thanked the hostess and committee for a delightful afternoon.

GAS broilers light automatically

Yes, the delicious, delightful kind of broiling - flame broiling - is also automatic broiling. A flick of your wrist instantly brings the exact broiling heat you desire. In fact, on new gas ranges, everything's automatic magic. Top burners are temperature-controlled; ovens turn on and off by clock control. And only gas matches this automation with such flexible and fast response. Choose the range that's really modern—the range easiest to use. Choose a GAS range—automatic all the way.

Trade-in Values Are Highest Now Lower GAS Rates

NOW—cooking with Gas is even more economical under the new lower Gas rates now in effect—and did you know that Gas is the only house heating fuel that FURTHEER reduces the cost of cooking, refrigeration, water heating and incineration. When you install automatic gas house heating you earn the lowest domestic rate on every gas appliance in your home—savings that help pay for your new automatic Gas Range.
