ons Club Members Tour merican Can Co. int in Simcoe

ing their regular meeting day night, the members of rvis Lions Club motored to where they were given a con- of the American Can Co. The tour was arranged by Lyncs, a member of the Lions Club, who is employed plant.

roup was greeted at the by Mr. Douglas Walker, Per-sonel Manager. Mr. Walker briefly explained the processes involved in the production of the Company's products before the tour started. The Plant is now operating at almost peak production which this year will reach a total of more than four and a half million cans. Some lines are producing cans at a rate of 500 per minute.

The members were taken through the Plant in groups of ten and were able to witness at first hand the various processes from the time the tin plate is received until the finished can is loaded on Railroad cars, or trucks for shipment to processing plants.

The exceptional growth this year has taxed the capacity of the Can Plant in order to maintain a sufficient volume of cans to pack the various crops. Following the tour the Club members were served refreshments in the Plant Cafeteria. A vote of thanks was extended to Mr. Walker by Drew Williamson for the courtesies accorded the group.

The forestry people tell us that while farm folk are planning to make application for trees for bush and windbreak planting for the season of 1959, the Department itself is laying plans for trees that will be distributed for the most part in 1963. In other words it takes four years from the planting of the seed this Fall until the seedlings are ready for shipment. In the case of St. Williams Nursery the target for this year is a total of 10,026,000 trees.

C.G.I.T. World Friendship Rally Held Here Saturday

On Saturday, October 25th, the annual Haldimand-Norfolk Presbytery C.G.I.T. World Friendship Rally was held in Jarvis with Mrs. Jack Doughty presiding. When the girls arrived , they registered and then joined in a sing-song led by Simcoe. After the worship service led by Delhi, Pat Fleming welcomed all the girls on behalf of the Jarvis C.G.I.T. Questions about the C.G.I.T. were posed and answered by Mrs. Hicks. Camp Highlights from "Camp Council" were given by Joy Murdoch of Hagersville, and from "Camp Ryerse" by Rose Hedges of Nanticoke. Then, everyone ate lunch. After lunch, Port Rowan led everyone in a singsong. The C.G.I.T. Purpose was repeated and the C.G.I.T Hymn was sung by all. The roll call was answered by the highlights of each group. Miss Barbara Jewill was then introduced by Cheapside. She gave a very interesting talk on our friends of all colours and creeds. Springvale thanked her and the literature and handwork was displayed. We were then divided into three groups- drama, music and recreation. After the class, each group showed what they had learned. Mrs. Jack Doughty gave the courtesy and we closed with taps. I'm sure everyone is looking forward to the next rally.

A social hour in the Sunday School rooms brought the Centennial Services of Wesley Church to a fitting conclusion following the Sunday evening worship, when Misses Darla Walker and Vicki Hoover, and the Junior Farmers Quartette rendered special music. A gift was presented to Mr. and Mrs. Ivan Church, recent newlyweds, from the Sunday School, with Mr. George Walker making the presentation. Rev. J. A. Logan, on behalf of the congregation, presented Mr. and Mrs. Elvin Pond with a parting gift as they leave to reside in Simcoe at the end of the month. The ladies of the congregation served refreshments.

A former minister, Rev. P. E. Deeth, of Hillsburgh, was the guest speaker at the morning service, choosing as his subject, "The Greatest Wonder of the World", while Mrs. Kenneth Vokes, a former member sang the solo, "How Great Thou Art." At the evening service, the guest speaker was Rev. Dr. L. H. Smith, of Ancaster, who spoke on the theme, "Christianity and the Holy Land". The Choir under the leadership of Miss Meta MacMurchy, with Miss Jean Davidson at the organ, rendered the anthems "Blessing, Glory, Wisdom", at the morning service, and "My Heart was Glad" in the evening. The one hundredth Anniversary celebration have been in progress for a large number of former members, who returned for the occasion, as well as many friends of Wesley.

IN THE ORBIT OF OUR EYE !

By C. D. CLARKE

A Citizens' Committee has got to be formed. It's got to be because things are drifting to such a pass that "if we don't act now it will be too late tomorrow!"

Every newspaper in Canada has got to get behind this sort of drive, and fast! Here's why! Kids are growing up with no creed! No religious background! Church and Community have become nothing but "Old Fashioned" and that's some they they are led to believe is passe!

The Catholic Church has got to forget that "They are the Church," —when we remember that Jesus forgave Harlots! The United Church has got to forget that it wants the Anglicans in their fold— when after all they both serve the same Master! A definite unified command must be produced between Church, Citizen and Parent to meet the increasing influx of Strikes, Bloods and Hoodlums. Now! To-day!

Here's Why.

Parents to-day can't deal properly with their children. Conditions are such that the child gets only the barest of home attention— and almost none from the Church. An apathy exists that can only be subscribed to the Devil himself. And strikes and other items split all the efforts of honest citizens to prove that the "Christian way of life" is the best way!

At best, today, it's hard to rear a family and subscribe to those things that make for the betterment of man! Every day sees our hopes of rearing a better nation "fall by the wayside!" The "call to arms" must be now! There is no tomorrow in such a sorry state of affairs as we now see in this world of ours.

How can you assess profits of "better living", "a modern way-of-life", and other so called benefits of to-day, against such debits as "children starting out in life with no family ties, when they, the children have not been confirmed, taught their social responsibilities, or in fact even been to Church with their parents."

How can we place faith in "those in authority above us," when we see strikes, wars and rumours of wars, and no signs of faith in those about us.

This thing has passed the stage of Church and Parent— now we must call on all those citizens who believe, to get out and join together to make "A Citizens' Committee" to fight for Home, Children and Faith." I've said it once and I'll say it again. "No great Crusades are ever again coming from the Church." The Church to-day would sooner fight among themselves — and I'd not be the first to lay the blame for to-day's sorry state at their doors, believe me!

But that is, or should be, of the past! Youth is on the march to-day—and all that they are seeing is evidence of gain from strikes, evidence of wealth from the average "live-it-up" family. They see no use of Creed, or Faith, or God! And we are all contributing to that attitude. No—don't duck it, or turn the page! It's a fact. We are passing on a heritage of unrest, uncertainty, ungodliness! When,all this time, we know, from the faith of our fathers, that we have something to contribute. Let's get off our derrieres before it's too late and let's get a Church-Citizen's committee to fight for the rights of Home (the place where we live and where security begins) —because tomorrow is too late. Let's form our committee now. Write me to-day!
