W. F. Kolbe & Co. LIMITED

PORT DOVER, Ont.

A couple of weeks ago the Jarvis Lions Club journeyed to Port Dover to compete with the Port Dover Lions Club in a game of Donkey baseball. Of course the Jarvis Lions Club won the game. It was stop press news for the Port Dover Maple Leaf but when Sam went to start up to gain the giggling pin hunched out of position and the press refused to go. That's what you call a calamity in a newspaper office like the Port Dover Maple Leaf where everything functions on split second timing, including the editor. Since the giggling pin couldn't be fixed in time to catch the mails there was nothing left to do but run the paper in some other office. An S. O. S. came in over the wire and we immediately made our facilities available to our contemporary.

We realize now that Sam made his call to us under the stress of great trials and tribulations and it did not occur to him until later that

the conservative influence of our office might contaminate his paper. It came as no surprise to us actually to learn later that Sam whipped right through Jarvis with his printed forms and turned out the finished product on the presses of the Hager Presse. In that way he could be sure, at least, of no political contamination seeping into his paper. Anyway, we doubt if our old girl could have stood the strain.

Television is getting rather common place. We noticed a late movie on Monday night that had appeared on our set at least twice before. There are bright spots however and in our opinion, one of these is the "Close Up" show over CBL on Sunday nights emceed by Austin Willis and featuring the interviews of Ches Templeton. These interviews are always interesting, but some especially so. On Sunday night a reporter was interviewing a sect known as "Beat Necks" who live in a section of San Francisco. This group of people are at odds with society in general and are sufficiently individualistic as to live according to the dictates of their own conscience, accepted conventions notwithstanding. We were especially interested in a question one of the persons being interviewed put to the interviewer. After condemning the Federal Government of the U.S. when it sends 50,000 troops into Lebanon to protect the freedom of the people of that country and yet can't figure out a way to protect the rights of a handful of negro children in Little Rock, Arkansas? Now, that's a good question.

If you have anything to sell, try our "Adlet Column." It Pays.

ONTARIO HOSPITAL INSURANCE

effective January 1, 1959

On and after January 1, 1959, the Ontario Hospital Services Commission will be the only agency offering standard ward hospital insurance in Ontario. No private insurance company or prepayment plan will offer benefits covering standard ward hospital services after December 31, 1958.

ALL RESIDENTS OF ONTARIO ARE ELIGIBLE

Enrolment is open to every resident of Ontario—regardless of age or physical condition—either through a group, or individually on a Pay-Direct basis.

Non-residents of Ontario are not eligible.

Closing date for Pay-Direct enrolment is September 30th, 1958. (See last question, below)

QUESTIONS & ANSWERS

Q. How long must a person be a resident of Ontario to become eligible?

A. There is no time-period on residency—all residents are eligible to enrol.

Q. What are the benefits of the plan?

A. The plan pays for the regular and usual standard ward in-hospital services as available in approved hospitals, for as many days as these services are medically necessary—plus Emergency out-patient hospital services within 24 hours following an accident.

Q. Does the plan pay for doctors' bills or surgeons' fees?

A. No.

Q. Will there be any waiting periods for benefits in the case of hospitalization for specific conditions such as maternity cases, repairs of hernias, removal of tonsils, appendices, etc.?

A. No. An insured person is eligible for insured services on and after his effective date, regardless of the type of condition requiring care in an approved hospital.

Q. Are there any medical examinations to pass or medical questionnaires to complete prior to enrolment?

A. No.

Q. How does a resident make application for Pay-Direct enrolment?

A. If you will not be registered through a group, complete an application form which you can obtain at a bank or hospital. In communities without a bank the form may be obtained from the post office. Mail the form to the Commission with your cheque or money order for one month's premium. If received on or before September 30, 1958, this payment will cover the three months of January, February and March, 1959. In other words, if you register before the closing date you get two months' free coverage. Subsequent payments will be on a quarterly basis, beginning January 1959.
