**Community Hall - JARVIS**  
 Music by "THE CLUBMEN" Orchestra  
**ADMISSION 75c**

Mr. and Mrs. C. W. Buck, of 4 Wembley Street, Simcoe, will observe their Fiftieth Wedding Anniversary on Sunday, September 28th, when they will be at home to friends from 2.30 to 5 P.M. and 7 to 9 P.M.

It's pretty hard these days to get any conversation in these parts that is not related to football play-offs. A sad feature of the current conversation was the reported loss last week of the third and deciding Bantam game in the semi-final round of the O.A.S.A. play-offs. With game apiece Norm Graham's Bantams bit the dust in the third and deciding game at Hamilton. Mind you, it wasn't a run away win and could very easily have gone the other way. Oh well, going to the Ontario semi-finals is not bad for a first year effort and more will be heard from this crew another year.

Only enough people were left in town for caretaker's duties last Saturday night. Ernie Craddock organized an exodus that ended up in Dresden to see Johnny Edwards fling another spectacular game and to see Bob Nixon's bat yield another winning run. That is not to say that the other members of the team didn't play their usual good game. Anyone

who catches Johnny Edwards offering for nine innings a star in any game and in addition to this Meehan clouded a hot grounder that moved the second run of the game across home plate. Then, of course, there was Harry Reekie. Harry has established such a reputation for his first year on the Jarvis team that everyone expects him to be just a little outstanding every time out. He came through with his usual pair of hits and counted one of the runs. Gordon Miller also had a good night at bat.

This Saturday night the town may be deserted entirely. The team meets Brooklin for the first game of the Ontario Semi finals. Brooklin is located near Whittby — not as far away, incidentally, as Dresden. The Brooklin team finished off Frankford in two straight games by scores that looked rather impressive. Frankford, incidentally, took Jarvis out in the semi-finals when the team played in "B" category. All of this, however, is not necessarily significant. The way Johnny Edwards is throwing that ball these days there isn't a team in "A" category that should throw any fear in the hearts of the Jarvis Herefords. The second game of this series will be played in Jarvis on Wednesday night, October 1st.

Having recruited a second member of the family at a seat of Higher Learning we have more than passing interest in John Wintermeyer's recent statements concerning education at cost. While John didn't say so in so many words, we wouldn't be surprised if he promises to provide free University education. In such an event, we'll have to admit we're going to have a struggle in deciding how to vote. We've been accused of not being very flexible in this regard in the past, but if the Liberal Party offers us a solution to our perplexing problem you're apt to find us asking Sam Morris to move over and make room for us.

**LETTER TO THE EDITOR**

We would appreciate a few lines in your good newspaper to say thanks to the people of Jarvis for making the past season for the Jarvis Lions Bantams so successful. Although our boys lost out to Hamilton we consider we had a fine series and were especially proud of the boys both as ball players and gentlemen. On behalf of the team we would like to thank Lundy and Henderson for supplying the bus which enabled not only the team but a goodly number of fans to make the trip to Hamilton, also Danny Horvath for driving the bus. The Jarvis Lions Club, who by supplying equipment and sweaters, certainly did a fine job. Last, but by no means least, we all thank Ernie Craddock. "The Take Charge Guy" who through his efforts made our season successful, and contributed a great deal towards "hall" for the boys of our district the past season.

We hope to be back next year. Norm Graham, Allen Awde, Jim Leathong.

**SPEAKER REVIEWS SUCCESS OF SIMCOE LITTLE THEATRE**

(continued from page one) introduced by Lion George Walker and a vote of thanks was extended to him by Lion Dave Banks. A grant to the Haldimand Safety Council was approved for the purpose of equipping all bicycles in the community with reflector tape. The Council will undertake this work in the immediate future.

Lion Warren Keen reported a successful dance at the Community Hall last Friday night and reminded members these dances will be held every other week until Christmas. An invitation to visit the American Car Plant at Simcoe on Monday Oct. 27th, was accepted through the kindness of Lion Clarence Lyles. Lion President Lorne Porter presided at the well attended meeting.

**YOU WASH 1,500 LBS. OF CLOTHES A YEAR\*...**

*do it the easy way... electrically*

When laundry piles up (as it does when you have small children) it's hardly any trouble at all with the untiring help of automatic electric laundry appliances. Just put your laundry in your electric washer, set the dial, and the work is done automatically. And an electric clothes dryer dries your laundry fluffy and sunshine fresh automatically—in any kind of weather. You'll have an abundant supply of hot water with an automatic electric water heater—and ironing is easier and faster electrically. When you have the help of modern electric laundry appliances, even a lot of laundry is just a little bit of work.

\*Average in one year for family of four
