YOUR ONTARIO HOSPITAL INSURANCE CERTIFICATE

IS A VALUABLE POSSESSION

AND . . .

it is your means of identification at the hospital

HOW TO USE IT . . . Always keep your Ontario Hospital Insurance Certificate handy, and present it to the hospital Admitting Department if hospital care becomes necessary for you or your eligible dependants.

ONLY ONE CERTIFICATE is issued to each insured Single person and to each insured Family.

As a precaution, each member of the family should have a separate note of the Hospital Insurance Number for ready reference in case of sudden illness or accident.

WHAT IT DOES . . . Your Certificate and paid-up premiums entitle you and your eligible dependants to essential "in-patient" hospital services in standard ward accommodation of approved hospitals only, for as many days as such services are medically necessary. Benefits cease when the physician indicates hospital care is no longer necessary.

"Out-patient" hospital services are not covered EXCEPT in the case of emergency out-patient care received within 24 hours following an accident.

Hospital services must be medically necessary

Ontario Hospital Insurance benefits cannot be provided for 'custodial' or 'domiciliary' patients i.e. persons whose medical conditions do not justify use of hospital accommodation and services, and who could be cared for at home or in some facility other than an approved hospital.

PREPAID PREMIUMS mean PREPAID PROTECTION

It is important that your Ontario Hospital Insurance premiums be paid on or before the date they are due. This is necessary to maintain a period of prepayment during which your protection will continue if it ever becomes impossible for you to pay your premiums.

SANDUSK 4-H CLUB MEETING

The 4th meeting of the Sanduski Meat Makers was held in the morning on March 30, 1959. We went to Brown's Red and White Food Market, Hagersville to see how the meat is cut up ready for us to buy. This was appreciated by all members of the club. We bought a piece of round steak and brought it home and prepared Swiss Steak for our dinner. We opened this meeting with the 4-H Pledge followed by the roll call "Bring in Record Books for discussion". It was answered by members. In the afternoon we had our fifth meeting of the Sanduski Meat Makers. The meeting opened with the 4-H Pledge followed by a call "One Way I Could Improve Food Selection". It was answered by 5 members. The minutes of last meeting were read and approved. We discussed the different meats that we saw in the market. We also studied the beef and pork for next meeting. Our next meeting is to be on April 8th after the roll call for the next meeting. "One Good Reason for Using Home Assignment is to Try Liver Recipe and One Recipe for Pork". Report results in Book. The meeting adjourned.
