

Now that the tulip beds are beginning to sprout we find ourselves also beginning to get the urge to get out on the far north in search of both fish and solitude.

look the fact the Community Chest campaign gets under way next Monday. Even though Britain has plans on the drawing board for a jet passenger plane that will whisk us across the Atlantic in a couple of hours the success of a project like the Community Chest requires a number of people to devote themselves earnestly to the plan for three or four weeks in order to devote themselves earnestly to the plan for three or four weeks in order to devote themselves earnestly to the plan for three or four weeks...

for the fourth and vital game in the series. Everyone agrees Federal taxes should go up but few, if any, will agree the increase should come from an increase in the excise tax on cigarettes. They are associated with the tobacco growing industry. The tobacco growing industry is not in the tobacco growing areas. Whether the increase would provide an opposite effect. Smokers being an insurable lot we imagine the tax increase will be taken out of the grubbing will be reduced to vapor in a few weeks. It doesn't alter the fact, however, that the tobacco industry with its income of 50 per cent of the National Budget twenty years ago.
