
The milk of human kindness manifests itself at particular times. Generally it is a latent characteristic of the heart and mind. When, however, it does manifest itself it unfolds a beauty more lovely than the most delicate flower. It comforts and indeed assuages the troubled mind. It clears the mist of sadness and brightens the way ahead. Everyone, at some time, experiences the warmth of the love of one for another in the sphere of human relationships. Our recent bereavement again emphasized the goodness of people — the value of friends. We are grateful.

On Sunday night a party of tourists from North Carolina stopped in at the Esso Service Station on their way through Canada. During the stop a female member of the party visited the Ladies' washroom. A short while after Norm Graham went in to the washroom and discovered the lady had left her purse. It contained about $150. He recalled the car being in and remembered it bore a North Carolina license. He immediately contacted the Provincial Police at Niagara Falls and through the medium of Police Radio a patrol car was able to locate the car going through Canfield. The loss had not been noticed and the reaction of the party to the information that a purse containing this sum of money had been left behind will be appreciated. They returned to Jarvis immediately with gratitude in their hearts. We relate this story because it is actions such as this that will promote the tourist industry in Canada more than thousands of posters and coloured pamphlets. Too bad this is not a universal characteristic.

A couple of good jobs of work have been carried out by the Council this past week. First is the blacktop on the west side of Main Street from Peel to the Post Office and on the approaches to the new bridge on Walpole Street. The second is the cleaning of the creek by a power shovel. Both are great improvements. The creek, however, will be a mess until some method is devised to get water running through it steadily. We have thought it a good idea for a number of years for the town, or someone, to purchase a known well on the west side of town, put a power pump on it and let the water run down the creek. A dam could be built at the east end to maintain a steady level of water throughout the Village. This is a project, it seems to us, worthy of consideration at least.

NANTICOKE W.M.S. MEETING

Members of the Nanticoke Auxiliary of the Woman's Missionary Society, Nanticoke United Church, met at the home of Mrs. John Doughty and Mrs. Howard Dennis for their August meeting.

The meeting was opened by the president, Mrs. Reg. Hedges. "The Joy of Living" was the theme of the worship service, which was led by Mrs. H. Dennis, with Mrs. J. P. Allerton reading the Bible lesson. A prayer for the safe return of Miss Leota Werner to her mission field in Trinidad was offered. Minutes of previous meetings in May and June were offered by Mrs. Mary Marr, who also volunteered to write our monthly letter to Miss Mary Yakinischak, R.N., at Hunter Memorial Hospital, Tenlon, Man.

Highlights of the Dominion Board Meeting held in Toronto, were given by Mrs. H. K. Saunders. An interesting item was the fact that in the new United Church house in Toronto, in the chapel is a curtain made of material woven by women in Korea, from ravelled nylon stockings, sent in overseas bales from Canada. We are told that poor widows in Korea can make a living in this way. Mention was also made of the new film, "I'll Sing — Not Cry", the material for which was provided by Rev. Anson Moorehouse and his assistants who went to Africa for that purpose. This film, which is considered to be a superior production had its premiere during the meetings of the Dominion Board when delegates were guests at a special public showing in the Eaton Auditorium, Toronto. It will be used not only by United Church but by the Baptist Federation of Canada — in this year's study of Africa.

A piano solo was enjoyed—played by Miss Betty Dennis. Mrs. Robert Doughty was at the piano for the hymns.

Following the program dainty refreshments were served by the hostess, and a social time was enjoyed.

The vote of thanks to the hostess was moved by Mrs. Marr. The September meeting will be held at the home of Mrs. Roger Dennis, on September 15th.
