**Federation Facts**  
 —By Bill Mulvey—  
 Here it falls again and time for "Federation Facts" but this time with a new report which will try to give you information on the latest happenings in the Federation Field.

As most of you know the County Annual Meeting was held on the 3rd of December at Kohler with full attendance. The president, Mr. C. W. Crighton was chairman and the usual reports were given. One of the items of interest was the discussion of farm forums in operation throughout the County in operation at present. It seems to be too bad to let these forums diminish so if any of you people who have any intention of starting a forum I would be very happy to give you any assistance I can. My address is 289 Cayuga and I would be more than pleased to hear from anyone who is interested.

Now that the County Annual Meeting is over it is time to organize our Township Annual Meeting which should be held in the near future. I understand that the attendees at these Township Annuals in the past have been very poor so we hope that more farmers will be interested in attending this year. The Federation because the Federation is your organization and is interested in helping you obtain a better place in the economy of the nation. Because of this I do not think it is fair to have a few people do all the work and fight for better prices for the people who are not interested enough to attend meetings. So let's have a good crowd at our Township Annual Meetings.

**STAR GAZING**

Leaving the church after evening prayer, I stood for a moment upon the steps of the church. The night was a million stars, and the words of the carol we sang: "We are stargazers men of old, but the guiding star behold." I thought it must have been a night two thousand years ago, when the Christian spirit is an imperative. The Christmas promise of "peace and goodwill toward men" will not come through demands for greater and more powerful weapons, nor by our keeping one step ahead of our opponents, scientific or military, for it is not the conquest of outer space, but the conquest of the human heart by the Spirit of God that will herald the New Age.

**W.E. Austin Wins Big Lions Prize**  
 Dr. W. E. Austin, well-known veterinarian, of Jarvis, was the winner of the Cash Draw at the Jarvis Lions Club Turkey Draw on Saturday night. His ticket was drawn from the big drum by Barbara Miller who had been selected by Committee Chairman Art Dight for the feature of the event. Mr. Austin was not present at the time. Inclement weather all day Saturday and continuing into the evening influenced the size of the crowd. However 100 turkeys were sold during the evening and the games were well patronized. The door prize handled by Lion George Walker was won by Bill McFride of Hagersville. The prize was a fine 20-pound turkey.

## Warden Kenneth Parkinson Host at Annual Banquet

"You have capably and honorably discharged the duties of your office and your wife has been a very gracious First Lady of the County," said Frank Young, Reeve of Seneca, as he proposed the Toast to the Warden at the traditional Warden's Banquet held in the Community Hall on Tuesday night. Mr. Young's remarks were a reiteration of the praise given Kenneth Parkinson, Chief Magistrate of the County of Haldimand.

"I have no regrets in retiring from office, as many appear to have," said the Warden. "My experience in Municipal life has been most enjoyable, but I should say this. Any one seeking public office must find first support in his own kitchen. No public official enjoys maximum popularity without his wife by his side," said Mr. Parkinson. "My experience in public life has been fully shared by my wife and any honour and credit to me is shared by my wife and I together."
