one thought that constantly goes through our mind is that in order to restore the loss suffered last Saturday an amount of money equal to the cost of an entire waterworks system would have to be expended. This is not to suggest that a waterworks system would have prevented the loss this time, although it is at least debatable.

A fellow was asking us the other day "How come the Jarvis Chevies Regular meetings were again set for the third Tuesday of the month. FIRESIDE CLUB for the third Tuesday of the month. A distinguished group of Canadian designers, artists and artisans blended their ideas and skills to achieve a distinctive Canadian theme in the public rooms named and decorated for the provinces of Canada in the new 406-room, air-conditioned addition to Toronto's Royal York Hotel. The new addition, boosting the hotel's capacity to 1,600 rooms, making it the largest in the British Commonwealth, will be formally opened February 21st by Ontario's Premier Leslie M. Frost, in the presence of N. R. Crump, President of Canadian Pacific, and other government and business leaders.
