TOURISTS IN SAN FRANCISCO

(continued from page one)

This Week -

(continued from page one) we should report that whatever progress our daughter has made in External Affairs, she has not lost her knack for cooking and the good instruction given her earlier in life by her mother. Supper is over and we are now headed for the War Memorial Opera House to see the Judy Garland Show. We are accompanied on this excursion by Miss Mary Sheenan, Secretary to the Consulate-General. Miss Sheenan has been a good friend to Diane during her stay in San Francisco and she did much to make our visit an enjoyable one. The Judy Garland Show was excellent. In addition to the contribution of the star the program was rounded out by Alan King and John W. Bubbles with a cast of over 100. This completes our first full day in San Francisco.
