WITH THE CUBS AND SCOUTS

We were pleased to see a very good turnout of Cubs and Scouts for our part of the Parade at the Victoria Day Celebration.

Cubmaster Fred Thompson seems to think Scoutmaster Keith MacDonald has the nicest knees so that must have been the reason Keith was marching at the front of the Troop while Fred drove the tractor float.

A very special event which we are anticipating is our field day at Koltwill farm on May 30, 1959. We hope to see 100% turnout for this event so we ask the mothers and fathers of the Cubs and Scouts to keep this event in mind.
