**Christian Viewpoint**

— By "Simon" —

**SOMETHING FOR NOTHING**

Terms Jesus had said, "If any man would come with me and have his life, let him deny himself and come and take up his cross and follow me." These things which are worthy of nothing, are only gained through an investment of ourselves, by a willingness to forget our own personal gains and to think in terms of the "larger good." A nation is great when its people think not merely of what they can get, but when they find the true meaning of life in what they can give. We should be very thankful that in our community there are many who are constantly investing themselves for the sake of others and making a continual "down payment" for the benefit of all.
