ONTARIO CREAM PRODUCERS' MARKETING BOARD
REPRESENTING 50,000 CREAM PRODUCERS

Mrs. R. A. Miller, campaign-manager of the Jarvis District Chest Fund, is proceeding with plans to get the annual campaign underway on Monday, May 2nd. The organizing of such a task is one that requires a good deal of planning and Mrs. Miller has carried out this work with patience and ability for the past few years. The campaign will run from May 2nd to May 14th and it is hoped that the project can be fully completed in that period. So much depends on the readiness of the citizens to co-operate with the canvassers when they call. People generally appreciate the Chest Fund because it eliminates numerous callers throughout the year when charity campaigns are operated in dividually. This way the matter is cleared up with one call and the co-operation of all concerned. This can be done by having your contribution ready before May 2nd so there will be no delay for the canvasser in carrying out his important duty.

The Jarvis Chevies dropped the decision against the senior finalists in O.R.I.A. Competition in week

end games. According to the manager of the Jarvis District Chest Fund, it was a case of winning with broken bones or losing with physical faculties intact. The coach chose the latter since there was little to be gained in winning. The Chevies are the Intermediate "A" Champions of Ontario and that was their objective in this winter's competition. They have lost nothing in dropping this decision in after season competition.

Members of the West Haldimand Hospital Board are beginning to feel some concern at the delay in finalizing financing plans for the building of a West Haldimand Hospital. In the opinion of the Board there is no other means, save Municipal participation at the County level, to make the building of a hospital a possibility. Obviously there must be a consolidation of opinion regarding the necessity of a hospital by the elected representatives of the various municipalities in the County. The local Board has long since reached the conclusion that the matter of hospital services is a matter that merits leadership from the Reeves and Deputy-Reeves. This may not have been so prior to the adoption

Picture of a shopping centre

Indeed—the handiest of them all... not just department store or cleaners, florist or plumber. You've probably also shopped for an apartment, "Articles for Sale" in the paper, phoned for a taxi or an electrician. The list is endless...

...but the point is clear: your telephone is always there, ready to save you money, time and effort. It's always there to serve you in emergencies or for a friendly chat. And nothing beats it as a shopping centre—right in your own home, convenient and inexpensive.

9 out of 10 ghosts prefer TEX-MADE sheets

Members of the Canadian Society of Ghosts prefer to do their haunting in Tex-Made sheets. (They have more body.) Won't you help the Society? Buy a Tex-Made sheet today. give it 12 to 14 years of tough family wear, and sometime about 1974 when it's had its day, hang it outside the back door on a moonless midnight. It will be spirited away before you can say "long-wearing". (Canadian homemakers prefer crisp, beautiful Tex-Made sheets, too.)
