We frequently hear someone imply that President Eisenhower has not come up to the standard required for leadership in a great Nation. In fact his critics take delight in picturing him as a golfer and giving little thought to the troublesome world situation. We're not qualified to pass judgement on his capabilities but we did feel regret in Lester Pearson's reference in the Canadian House of Commons to President Eisenhower for playing golf in such critical times as the canadian spectrum on the first time when the so-called Golf Playing. REASONS WHY YOU CAN'T BEAT GAS HEAT!

1. ECONOMY. Gas is the most efficient of all fuels, guarantees most for your money. No extras or idden costs like service contracts, tank insurance,

2. CLEANLINESS. Only GAS burns completely, without smoke, soot, or oily grime. Saves you money on cleaning, painting and decorating, too 3. DEPENDABILITY. GAS is always there when you need it, and you pay for it after it has been used.

5. QUIET, TROUBLE-FREE OPERATION. No complicated moving parts to wear out, to become noisy ... so no expensive repairs or part-replacements.

6. IT'S COMPLETELY AUTOMATIC. A simple thermostat does all the work. Automatic controls ensure carefree, safe operation. Instant heat is available 7. LONGER LIFE. 30 year-old installations still work perfectly. There is little or no depreciation with

8. NO STORAGE PROBLEMS. No messy tanks or bins.

9. SPACE MAKER. Compact console-type design adds valuable living space to your home

10. NO DELIVERY WORRIES. Gas travels in underdamage to lawn, shrubs or basement from spilled fuel . . . no damage to your driveway by heavy delivery trucks.
