Craddock, Captain of the Craddock & Phibbs bowling team has confirmed the report that one of the Stalwarts of the Club, over the past three years, is out on waivers. So far none of the other teams have shown any inclination to make an offer for Anderson's services. The Old Pro has refused to make any comment on the situation, except to say he wouldn't play for Graham & Jamieson regardless of what offer they might make, and the rumour is around that he might quit the game completely. Your bank manager is easy to meet -and a good man to talk things over with. Not just because he knows a lot about banking, but because he can be counted on to apply that knowledge and experience to your particular need.

To him, banking is more than dollars and cents, more than figures in a ledger. To him, banking is the opportunity to work with peoplethrough bank services to help with your problems, your hopes and plans. That is what he has been trained to do. That is what he likes to do. You'll find he's a good man to know.
