BETTER ATTITUDE TO WORK
I entered the Village and settled at a morning coffee, we overheard the con- group of workmen as they had obvious of shift work' and their weekly pay cheques. This matter was upon the new- various tasks and the people the only good thing that the matter was the people the dollar sign the ultimate in values. It is in relation to that stand- ing else derives its worth by reason of this, that the people find themselves un- der the strain of their daily work as they are constant- ly being asked to do things that need correc- tion. The quality of their work, not with the trade- man-agement relationship, but with the quality of their work, is what is being referred to. It is not the quality of their work, but the quality of their work, is what is being referred to. It is not the quality of their work, but the quality of their work, is what is being referred to.

WEDDING
PEPPER — DOUGHTY
The groom and bride, Robert Pepper, brother of the groom and Roy Doughty, brother of the bride, were joined in matrimony at the ceremony held at 3 P.M. August 6th. The bride is the daughter of Mr. and Mrs. Nicholas Basili of Hagersville. Mr. and Mrs. Harold R. Kin- dree, a brother and Richard An- derson, a friend, were ushers.

All Saints Anglican Church decorated with baskets of white and red gladioli, white satin bows marking the guest seats, and red roses on the altar, was the setting for the summer wedding of Frances Basili and Donald Lawrence Kindree, both of Hagersville. Rev. E. F. Maun- sell of Ancaster officiated at the ceremony held at 3 P.M. August 6th. The bride is the daughter of Mr. and Mrs. Nicholas Basili of Hagersville. Mr. and Mrs. Harold R. Kin- dree, a brother and Richard An- derson, a friend, were ushers.

HOME, FURNISHINGS & CLOTHING ALL DESTROYED IN HOUSE FIRE

The home of Mr. and Mrs. Augustine Geaneau, who have a family of seven small children was destroyed by fire on Sunday, August 21st. The family was away at the time and all items of furniture along with their personal effects went up in smoke. It was the second such disastrous fire in Woodhouse within a few weeks. The earlier fire destroyed the home and contents of Harold Burke who returned from Port Dover to find his home a smoldering pile of ashes. The Geaneau family found temporary shelter at a cottage near Port Dover and have since made a down payment on a home at Nanticoke, which they took possession of this week. The family is in urgent need of all kinds of household furniture as well as clothing for the children whose ages run from three to eleven years.

Here is an opportunity for the community to help re- establish this unfortunate family. Almost everyone has an article in their household they can spare and if it were contri- buted to this needy family at this time it would be put to good use. Also items of clothing will be most acceptable. This worthy cause can be aided by telephoning the Jarvis Record at 587-2223 and we will try and arrange to have such articles picked up for the Geaneau family.

HAKONE
THIS PAST WEEK END my travels took me to Hakone, a district between Mt. Fuji and the Izu Peninsula. The express train from Tokyo travels one and a half hours to this popular resort area with breathtaking scenery, hot springs and cool climate. Our home for the week end was the Fujiya Hotel in Miyazoshita. The Fujiya is 1,377 feet above sea level and is nestled among the mountains in a very rural and well-wooded area. Although the hotel is Western style, the architecture is typically Japanese.

JARVIS MEETS VILLA NOVA IN THIRD GAME HERE SATURDAY NIGHT

VILLA NOVA 4-3 decision in 12 innings. The winning run came after the first two men were out. It was a very close and exciting game as these two teams are very evenly matched. Jarvis opened up a 3-0 lead in the first three innings, then Villa Nova scored on each of the sixth, sev- enth and eighth innings. Although Jarvis was leading 4-3 at the end of the game they were many fine plays that kept Villa Nova in the game. The eleventh inning with 1 out and the seventh inning with 1 out and the first base, when a low line drive was hit by Joe Clark, who was in the field, came in and picked off the top of the grand stand as they squeezed out a
