### JARVIS SCHOOL BOARD MEETING

(Intended for a previous issue) The Public School Board met in the Jarvis Public School on the evening of August 16th with the Chairman, Don Duxbury, presiding. Inspection showed the new caretaker making good headway in the Annual School cleanup. The new showing has been set up for the supply room—the result of two work meetings of the Board members. The desks having arrived for the Principal's room, it was decided to hold another work meeting to assemble these as soon as the new tile floor has been finished. The plans for new lighting having been approved by the Dept. of Education, it was decided to ask W. J. Elliott and Son to start work on the project as soon as possible. The Property Committee will look into the condition of the well and pump and have the water tested before the opening of the fall term. Bills were approved for payment and adjournment followed.

### WAYS OF HAPPINESS OR TRAGEDY?

The Labour Day week and with its passing the year has nearly ended. We have seen the lives of many of our fellow workers and of those who are not so fortunate as to have their lives cut short by the statistics of the statistics. It is not so long ago that we called upon them to "love their neighbours" and to "love their families." It is not so long ago that we called upon them to "love their neighbours" and to "love their families."

### TEN SONS AND NO DAUGHTERS

By Diane Miller

TEA CEREMONY OR CHANOYU

THIS EVENING after work my new Japanese friend, Ikko Kudo, who has been studying the art of tea ceremony, took me to her school to attend a tea ceremony.

The tea ceremony is an aesthetic cult among polite circles in Japan to promote enlightenment and mental composure. It is mainly for the appreciation of the artistic atmosphere through the aroma of powdered green tea. The tea room holds five guests and is connected to a garden through which one walks from the waiting room to enter the tea room. The tea room is
