Well the bowling season is with us once again and we suspect we'll be involved in some tricky shenanigans before the schedule is completed. Some how or other we've become involved in a league under the direction of our old bowling opponent, George Anderson. And, simply Judging by the events of the opening night we can see where we're going to have problems as the season wears on. George claimed victory on the first night and we just can't possibly see how that could happen. We'll admit his wife bowls a pretty fair game but if she has to carry George through the whole season it will get pretty frustrating for her.

- - - - - -

The Vice President of our Corporation never believed us when we used to go home and tell her about our bowling scores. Since we are now bowling together she'll have the evidence of the skill we exhibit on the bowling lanes. We'll admit that our score is sometimes discouraging but the fault in those instances is the pins, the balls or the general condition of the alleys. If it isn't any of these three things then it is George Anderson, who always starts talking every time we go to line up a shot. There should be an unwritten law the same as applies in Golf. Oh well, it should be lots of fun.

Just about one of the busiest fellows in these parts recently has been Glen Reichelt, the General Manager of the Jarvis Hereford Farms extensive operations. Within the past three weeks Glen has presided for the Centennial Celebration of the Hereford Association; He attended the World Hereford Conference in the United States; he exhibited stock at the Canadian National Exhibition; he arranged a production sale of his own herd at the Jarvis Hereford Farms. All this in such a relatively short time is enough to give anyone ulcers. We hope the victim of this pressure will derive some compensation through the knowledge of having discharged a heavy load of responsibility.

Willie Mays has had a terrific press as a result of some of his spectacular fielding in the big leagues. But Willie never made a catch with greater finese or more spectacularly than the one made by Mac Feeney during the Jarvis—Villa Nova game at Waterford last Saturday night. This, of course, wasn't the first time Mac has brought the fans up in their seats this season so we know it is a special skill of his own that enables him to perform so brilliantly. It was a thrilling game throughout and the Herefords deserved their win in that fifth and deciding game. Now it is Newmarket. The first game was played last night and the second game will be at the local park on Saturday night. Let's see the stands filled to capacity.

21 REASONS WHY YOU CAN'T BEAT GAS HEAT!

1. ECONOMY. GAS is the most efficient of all fuels, guarantees most for your money. No extras or hidden costs like service contracts, tank insurance, burner motor to operate.

2. CLEANLINESS. Only GAS burns completely, without smoke, soot, or oily grime. Saves you money on cleaning, painting and decorating, too.

3. DEPENDABILITY. GAS is always there when you need it, and you pay for it *after* it has been used.

4. EFFICIENCY. Tests show GAS units are more efficient than those using other fuels.

5. QUIET, TROUBLE-FREE OPERATION. No complicated moving parts to wear out, to become noisy . . . so no expensive repairs or part-replacements.

6. IT'S COMPLETELY AUTOMATIC. A simple thermostat does all the work. Automatic controls ensure carefree, safe operation. Instant heat is available when required.

7. LONGER LIFE. 30 year-old installations still work perfectly. There is little or no depreciation with GAS heating equipment.

8. NO STORAGE PROBLEMS. No messy tanks or bins.

9. SPACE MAKER. Compact console-type design adds valuable living space to your home.

10. NO DELIVERY WORRIES. GAS travels in underground pipes, safe from weather hazards. No damage to lawn, shrubs or basement from spilled fuel . . . no damage to your driveway by heavy delivery trucks.

11. GAS IS PLENTIFUL. Huge storage facilities right here in Southwestern Ontario ensure that plentiful supplies of Natural Gas are always available.

BALMORAL LADIES AUXILIARY

(Intended for last issue)

On August 25th the Ladies Auxiliary was held at the home of Mrs. William McNiece who very kindly opened her home to us due to the illness of the members' husband at the present place of meeting. Seventeen members were present to enjoy a time of mending clothing to be sent away to missionaries to give out to those in need. To open our business part of the meeting, Mrs. Warren Nauman led in prayer, asking the Lord to help and guide her during the meeting by His Holy Spirit. Mrs. Gordon Marshall then led us in the singing of "Come Thou Almighty King" followed by the reading of the minutes of the last meeting by Mrs. Richard Person. Each lady then answered the roll call with a bible verse containing the word "Harvest". Plans for the next meeting were then discussed including setting up and working on quilts for camp; Those having white shirts for making doctors gowns were asked to bring them as well as any white cotton sheets for making bandages; Cleaning of the Church was also discussed and it was decided to do this in October.

A hymn "My Faith Looks Up To Thee" was then sung by all followed by prayer time led by Mrs. Kenneth Bousfield, Mrs. William McNiece and Mrs. William Person.

The Devotional topic of the evening being "Faith" was given by Mrs. Warren Nauman. The scripture portion being taken from Gal. 3: 23. The definition of "Faith" given to us was "the substance of things hoped for, the evidence of things not seen." This being found in Hebrews 11: 1. Faith is given in greater portions as we trust God even in times of trouble and distress. It was also brought out that many times our hard times bring us closer to the Lord, making our faith in Him much stronger.

In Gal. 3: 23 it says: "shut up unto the faith which should afterwards be revealed" being shut up with God, taking our troubles and problems to Him, receiving His answers and seeing them worked out makes us grow stronger in faith.

To me this topic was short but still it had a message that we should have more faith in Christ, shut ourselves up with Him thereby proving that Christ is true in all His promises and is willing at all times to listen to us and to help us. Also it was brought out that we should exercise our faith in Christ by going forth to reach those around us who are still lost in their sins.

Mrs. Nauman then closed in prayer and a lovely and very seasonal lunch was served by Mrs. McNiece, Mrs. Bousfield and Mrs. Russell.
