OLYMPIC TRAINING CLUB has the answer.

Because of the phenomenal success of this project and it's potentialities, Zone B1 Branches of the Canadian Legion have evinced an interest, especially since it ties in with the Canadian Legion Sports Training Plan.

Here we may state clearly that 71 per cent of all Canadian athletes competing at Rome in 1960 were primarily proteges of this plan.

The Hagersville project was an experiment sponsored by Mr. Owen Weaver (ex-Olympic winner) and Mr. Don Hurst in January 1960.

The nucleus were nine girls and seven boys. Training was done indoors at the hangar of Hagersville Camp in preparation for the 91st Highlanders, Dominion indoor Cham pionships, track meet at Hamilton. Competitors entered five events and reached the finals in all five. Girls relay finished 3rd and boys finished fourth in the mile relay.

They carried on to the summer track and field sports programme in Windsor, Hamilton, St. Lambert Quebec and Filint Mich. making a remarkable showing, and the club
