We Are Pleased To Have Done The
Bulldozer Work At The New Mill

HUGH CLARK
R.R. 2, Hagersville, Ont.

THE MILL STAFF

Shown above are the "regulars" at the feed mill, from left: Bruce Gifford, Andy Poortinga, Ted Carter and Nick Montague, mill foreman. At the right is one of Mr. Heaslip's oldest employees in length of service, George Williamson, who is now in charge of mill and building maintenance. Mr. Williamson was in charge of the erection of the new mill. Additions to the old mill as well as additions to and modernization of the branch mills have also been done under Mr. Williamson's supervision.

OLIVER FARM MACHINERY

(Advocate Photos)

A small portion of the new Oliver Farm Machinery on display is pictured above in front of the Oliver service building. The service building is fully equipped to handle not only the erection of new machinery but all classes of service work and rebuilding of used machinery. The large stock of parts needed to service the full Oliver line is also kept in this building.
