meeting an exception the Brigade joined in another of Lieutenant John Marquis' innovations. Tonight it was a member scramble. This competition also found Squad Three victorious. The final game gave Corporal Willard Marshall, Dave Foster and Wayne Person an opportunity to exhibit their ability as leaders by leading three stymied squad members to a hidden coin. Although this game warranted a few flattened fingers, most of the boys agreed that it was a good test for the Corporals. The boys then forwarded their attention to the Captain as he illustrated the key verse, by exemplifying the like; however, the Corporals and the light of the world through a near fatal accident.

JARVIS WOLF CUB PACK WINS BIG WOLF HEAD FOR CONSERVATION SCRAP BOOK
By M. A. Collins
An event of great interest to all those interested in the Jarvis area young people took place in the Scout Hall, Civic Building, Jarvis, on Tuesday evening, June 13th. On this occasion, the award of a real wolf head was presented to Cub Leader Fred Thompson for the local Wolf Cub Pack by Mr. Rene D'Alvis, District Manager of the Cub Service Oil Company. Mr. D'Alvis was assisted by Mr. Cloyce Sitter of Hagersville who is the District Distributor for the Company. Flash bulbs were lighting up the room like the rockets the 24th of May celebration so surely we all shall see the pictures of the happy Cubs and their leaders as they participated in this memorable ceremony. Now if you are wondering why all the rejoicing over a Wolf's Head, let us enlighten you. Our Jarvis Wolf Cub Pack entered a Conservation Project which was proposed by the Ontario Boy Scout's Association and sponsored by the Cub Service Oil Company. The project involved the preparation of a large Scrap Book outlining and relating to the conservation by man, of our soil, water, forests, wild life, plants, life and the relationship of these recreational factors to all phases of Conservation. Entered in this contest were 14 other Cub Packs from all over Ontario. The "Scrap Book" contest was judged by the Federation of Ontario Naturalists under the direction of The Honourable Mr. Justice John B. Aylesworth of the Supreme Court of Ontario. The Jarvis Wolf Cub Pack won the coveted "Wolf Head" award and was pleased that, if only one such award is given to the winning pack, it was won by our Jarvis Wolf Cub Pack. Hearty congratulations to Mr. Thompson, Mrs. Orval Walker, Mrs. Roy Reynolds and to the Cubs themselves.

LOCAL FISHERMEN CATCH 20 POUNDERS
Considerable space has been taken in this medium of public information recently concerning the relative size and quantity of fish taken from specified waters. Fish stories, as a rule, have to be taken with a grain of salt but when the evidence is laid right before one's eyes that is all the evidence one needs. On the week end of June 10th and 11th, Dave McBride went out to look for the big ones and they brought them home too. In as many days they landed five Channel Cat with a combined weight of slightly less than 100 pounds. The biggest one hit the scale at 29 pounds, even and the remaining four were only slightly smaller. Now we have heard of the big one that can be caught at the half-way north area but to this day we have never actually seen one which was. Therefore we have to assume the only areas in Ontario where big ones can be caught is in the Long Point area of Lake Erie and at Lake Ontario north of Stouffville. The catch taken from Long Point Bay this week end is not only a terrific regarding the actual size but they make some of the best eating we have ever experienced.
