

DAD

By Nancy Dale

And now as we grow older... We look back at the past...

We look back at the past... We look back at the past...

Why can't we stay and share the love... That's there just to be had...

And we still need him just as much... To have the love that comes from him...

He's sometimes very grumpy... He's sometimes very sad...

For somebody we will not have him... So let us now respect him...

Though he hollers when he's mad... But he's the one that we look to...

For he's our good old Dad... That's our good old Dad...

print would only cause embarrassment... to the remitter. This is just...

part of our service however and we... are not asking for credit in keeping...

We see the surveyors from the Department of Highways... measuring tapes on Main Street...

There has been some suggestion that, possibly, the new road would bypass the Village and connect up with No. 3 west of the Village...

And, on the same question of a new main street, the suggestion has been made that if the thoroughfare is torn up then consideration should be given at that time to lay a sewer and water line from one end to the other to avoid the necessity of tearing up the new street should we suddenly decide to install waterworks and sewage in Jarvis. This is a matter the council will, no doubt, be and if they were put into public giving consideration to.

ON HOW TO SAVE MORE PIGS AT FARROWING TIME

1. Scrub sow with solution of Purina C & S Powder, rinse with clear water, then with Purina Disinfectant Concentrate solution 1 oz. to 6 gals. water.

2. Clean and disinfect farrowing quarters and equipment to control scours and transmission of worms or diseases.

3. Keep farrowing place well ventilated.

4. Try to keep temperature above 40° in winter, under 70° in summer.

5. Take up each pig and immediately tie and clip navel cord, at about 2 inches, and paint with a 50-50 iodine and glycerine mixture.

6. Wipe away slimy mucus from nose and mouth. Put in brooder or under heat lamp.

HOW MANY HAVE A BANK ACCOUNT?

Chances are they all have / Because nowadays practically everybody is a bank customer. And they go to the bank so often and for so many reasons: to deposit savings, arrange a loan, buy or sell foreign exchange, purchase money orders... In fact, Canadians seem to use banking services more than the people of any other country / The chartered banks, for their part, do their utmost to make each branch a friendly, efficient centre for every kind of banking service.
