

The report of the M.O.H. for Walpole Township indicating a slowing down in the incidence of Hepatitis for the month of March is good news. There seems to have been much more sickness than usual in this area over the past few months. It emphasizes the importance of good health and when we are blessed in this respect and can feel we are receiving our fair share of the good things of life.

Another successful Minstrel Show has been recorded in the history of local activities. For the eighth successive year the Lions Club has given the local folk three nights of entertainment that would rate high in any community. All of the participants in the show merit the highest commendation for their faithful and talented efforts to make the show a success. The musical director, Margaret Miller, again demonstrated her unusual talents by setting an even higher standard for her proteges. Everyone connected with the show and, indeed, those who witnessed it recognize the hours of work that

goes into the production of the musical numbers and appreciate the enjoyment that comes from these efforts. It is assumed that George Anderson did his part in helping the Jarvis team win at Port Dover on Monday night. Certainly he didn't do much to help his bowling team. All that was needed to win seven points for Anderson's Holsteins last Monday night was the presence of the Captain. We did not assist in keeping the team in contention during his absence but lacked the inspiration that always comes with his presence. Oh well, our loss gave a breather to Ernie Craddock's six.

It was good to see "Red" Kelly back in the Toronto line-up on Tuesday night. While he is obviously not up to par his presence did something for the Toronto team. Certainly it inspired his line-mate Mohovich who turned in his best game since Kelly was sidelined. Local sports-minded people will also find satisfaction in the record of the former Heron, Lou Jankowski in the West-Farm Hockey League this season. Lou has scored fifty-six goals and has over forty assists. It's hard to believe there isn't a place for such a prolific scorer in the N.H.L.

SUPER FLOW
 PRECISION GRANULATED FERTILIZER
 COMPLETELY GRANULAR / DUST-FREE / ALWAYS FLOWS FREELY

ONLY SUPER FLOW IS 'PRECISION GRANULATED' TO GIVE THESE BENEFITS

No clogging or skipping - The controlled range of granule size gives a smooth, constant flow, acre after acre. Gives more even distribution of plant food... more uniform crops.

Save time and work - You waste no time clearing and resetting equipment. You save time in the field.

Dust-Free - More pleasant to handle and no loss on windy days. Equipment is easier to clean.

Highly soluble - More phosphorous made available, too!

Remember, only SUPER FLOW is "precision granulated". It's the top-rated granular fertilizer on the market today. Ask your neighbour who uses it!

Order from your SUPER FLOW fertilizer dealer

was held by the Server, Victor Robinson, and the distribution made by the Warden, Messrs. G. Jackson and M. Fletcher. At Jarvis, Mr. Jack Cooke, L.R., assisted in the service and also held the tray of Palms. The distribution was made by Messrs. R. Field and S. Payne.

On Good Friday, at Jarvis, there will be a service for the boys and girls at 10.00 A.M. and the special Good Friday Service at 11.00 A.M. at Nanticoke the Childrens Service will be at 2.00 P.M. and the adult service at 8.15 P.M.

It is gratifying to see how many people observe this day, which is the memorial of our Lord's Crucifixion. All are welcome at all the services.

were introduced, which added to the variety of games. John Foote and Garry Vandyk found that it was quite simple to walk on boards. However, they were alone in their findings. Several minutes were given to a game called "The Secret." But no one could find the secret, which remains a secret until next week. Council ring took place by candlelight and the Captain read the account of the Passover in the Land of Egypt. Squad two was silent about the highest points, as squad three moved closer, leaving a margin of (continued on page five)
