

Well now it came as no surprise when it was announced that "Red" Kelly had captured the Lady Byng Trophy in the National Hockey League. Those of us who have admired his gentlemanly play over the years know there isn't another player in the League who can come close to "Red" in this department. We're a bit biased we'll admit but we have to agree wholeheartedly with Punch Imlach that "Red" should also have won the Most Valuable Player Award. Of all the awards in the NHL, however, we should think that the Lady Byng is the most rewarding. "Red" has won this award four times during his career and to be so rated by the experts as the player best combining ability with sportsmanship and gentlemanly conduct should, it seems to us, bring great satisfaction to the winner.

If there was a Lady Byng Trophy in the Erie League it would have to go this year to Jack Nixon who toiled on his left wing position throughout the season without a penalty. That is a record that will probably stand for all time and it should give Jack plenty of ammunition when he gets in discussions with his brothers on how the game should be played. In fact, we would think the sponsors of the Jarvis Cheviets should fittingly recognize this amazing feat accomplished by Jack this year at the banquet next Tuesday night.

The Girl Guides were around last week selling cookies. This, we think, is an excellent project for Girls in the Girl Guide Movement. When we had a daughter in the Girl Guide Movement we seem to recall that the kitchen was in an uproar a day or so prior to the sale. The cookies were made at home and packaged for sale. Last week we opened a package of cookies purchased from the Girl Guides and discovered they tasted just like the cookies one buys in a store. An examination of the package revealed that the cookies were, in fact, made and packaged by a big Toronto firm. So far as we are concerned the Girls had better get back to baking their own cookies or they won't find a ready sale at our place in the future.

In just about ten years we will be celebrating Queen Victoria's birthday. There is much to be done be-

fore May 22nd. The big question is what will the weather be like? The ball diamond is far from being in shape for the opening of the ball season and, in fact, the weather has not been conducive to the spirit of the game. Just what teams the ball committee will find to participate on Victoria Day remains to be seen but there will surely be ball games for the celebration. We also have to report that entries for the Amateur Show

have been slow in coming in but we are looking for a whole stack of them this year. Something new this year will be the Sodo and riding competitions to take place in the afternoon. We are told that at least twenty-five riding horses will be on hand for this event. The teen-agers will have their fun dancing to The Bucks during the afternoon and they will not be hampered for time this year. The Amateur Show will not take place until 7:30 in the evening. The fireworks are on hand and will be bigger and better than ever. There is just one place to go on Monday, May 22nd, and that place is Jarvis.
