A FAMILY MATTER

brought about a new sense of equality between the sexes. No longer are women simply the "bearers of men's children, the removers of dirt, the preparers of meals and the washers of diapers," for they have found many profitable fields for the investment of their abilities in the world of industry and commerce. However, such changes are fraught with dangers, for no baby-sitter is an adequate substitute for a mother's love and training.

What is true in the realm of physical and material things, is also true in the religious life of the family. Church and church school programs are providing ever wider and greater opportunities for spiritual development in the family, but this is no real substitute for the basic truths of the faith taught and "lived out" by parents in the home. It is not sufficient to transfer the responsibility for spiritual and moral training solely to the church or Sunday school, for if our lives as parents are devoid of spiritual values, and if we relegate religious faith and duty to the hinterland of our lives, our children will surely do the same.

A strong nation is not only one with adequate armed forces, or well-fare plans or physically healthy people, but a nation whose families are patterned upon spiritual truths. Families who acknowledge the Fatherhood of God, and recognize their responsibilities and duties as His children.

JARVIS CHEVIES HOCKEY TEAM HONORED AT COMMUNITY HALL

The Champion Jarvis Chevie Hockey team, in going through the season without a single penalty.

Three trophies were presented to the team. The first was the E. G. Melnibacher & Son Trophy emblematic of the Erie League Championship. This was presented by George Melnibacher, of Fisherville, to assistant Captain, Bob Nixon.
