A KEEN SENSE OF SMELL

It is not unusual in our house, for face grave ethical and moral issues as individuals and as society, the ability to smell represents a sensitivity to wrong. A trained nose can tell that something is wrong by the smell. There are many people who could not give a logical explanation as to why they are opposed to gambling in its forms, they just "smell" that it is wrong. Others, in this world where oftentimes the "underhand, dishonest, get-rich schemes have an offensive odour to them. One does not necessarily have to see the first, one can smell that something is wrong.

The remaining opening exercises were then carried out, including issuing Robert Hoover his membership card for a completely satisfactory, three week attendance, which now enrolls him as a member of the Brigade and squad two.

Following squad meetings, each Corporal led his squad into report formation and the L.C.s then read the reports.

Tonights first game was football, rousing and tumultuous; with Cpl. Wayne Person's boys and Walt Cassidy in goal, shutting out his opponents, Murray Stewart's team, 1-0; and the Cpl. again emerged victorious from a game of handball which followed. # TOWNSHIP NOMINATION MEETING IS QUIETEST IN HISTORY - NO ELECTION THIS YEAR

ONLY RETIRING OFFICIALS RECEIVE NOMINATIONS FOR RE-ELECTION

The Walpole Township nomination meeting, held at the Jarvis Community Hall, on Monday afternoon, attracted the smallest attendance of any such meeting in the memory of present day officials. It was likewise quiet with respect to criticism of elected officials, as is sometimes the case at nomination meetings.

It was more like the annual meeting of a corporation when the management give their report to the shareholders, after declaring good dividends.

Township Clerk, Charles Cox, who presided at the meeting, stated that in his opinion the small attendance and lack of criticism was a compliment to the council and school boards on the manner in which they had discharged their duties during the last year.

The unusual feature of the meeting was the fact that only the retiring, Reeve, Deputy Reeve, councilors and school board members received nominations for re-election in their respective offices.

All retiring officials gave an account of their stewardship during the year and a few explanations were made in response to questions. Therefore the elective offices for the Township of Walpole for the ensuing year remains as follows: Reeve, Edward Montague; Deputy Reeve, Harvey Bussindie; Councilors, Blake Fields, Hugh Greenfield, Bruce Meahan.

North Walpole School Board: Re-elected — Emerson Phillips, Jack Phillips. The other three members — Earl Stull, to serve as; Murray Bussindie, Wesley Bowman, William Huffman.

South Walpole School Board: Re-elected — Kenneth Bartlett, David Lint. The other three members with one year still to serve are: Wray Dennis, Craig Werner, Roy Craddock.

# JARVIS REEVE AND COUNCIL RETURNED BY ACCLAMATIONS

The Village nomination meeting on Monday night followed the pattern of the Township nomination earlier in the afternoon. The retiring Reeve and members of Council were nominated again for office with only one additional nomination for Council.

No points of issue arose concerning the administration of Village affairs over the past year. The Reeve and members of Council all gave a report on their work and covered the financial report on the year's operations. In addition to the old council, Newton Marshall also received a nomination. He indicated he had no intention of qualifying for office.

# THREE RETIRING TRUSTEES ARE RE-ELECTED TO BOARD

The three retiring trustees of the Jarvis School Board were re-elected by acclamation at the nomination meeting Monday night. They are Don Philby, William Davidson and James Doughty. The three other trustees with one year to serve on their term are: Gordon Miller, Merle Elliott and Donald Duxbury.

Trustee James Doughty reviewed the work undertaken during the past year and announced the decision to install flush toilets at the school. He also pointed out that the installation would cost in the neighborhood of \$8,000. He also pointed out the estimated surplus of the Board at the end of the year will be approximately \$4,500 which, along with Government Grants on the undertaking should finance the project.

Trustee Doughty also paid tribute to the Principal of the school, Mr. James Weir. He gave Mr. Weir credit for the excellent harmony prevailing in the operation of the school.

Mrs. R. A. Miller, Secretary of the Board, complimented the school staff for their preparation of school costs which had been most reasonable saving in interest to the Board.
