HAGERSVILLE HIGH SCHOOL NOTES

Eighty-two pupils and teachers of our school, using four cars and Mr. Harrop's bus, attended the Stratford Theatre presentation of "Shakespeare's King Henry VIII" last Thursday afternoon. Though it is not his most thrilling play, the gorgeous scenery and lively action of the Stratford players, and the unusual theatre and manner of presentation proved both interesting and educational.

Leo Cicceri, one of the players, conducted a discussion from the stage following the play. This too added to the entertainment.

In the lovely weather, the picnic by the Avon with swims to feed and out, makes work and play areas brighter and safer.

A "Gold Medallion" Home is all-electric, including heating.

Information about the Medallion Electric Homes in your community can be obtained from your electrical contractor or your local Hydro office.

The first dance party of the season was held in the gym on Friday night last. This was a get-acquainted dance with Grade Nines especially invited. Music was by the Jays arrangements were made by Wayne Mitchell, Student Council President, assisted by Donna Brozman, Chris Reichel, Marie Montague, Mary Adison and Kenneth Cox. Attendance was good, so with last week's weather, it was a warm party.

We would like to appeal to parents of High School students reading this column to make a search of their bookshelves for books bearing the Hagersville High School Library stamp. Our library lending has been too many books borrowed last spring have not been returned.

Congratulations to the Bantam Baseball Team who won the Ontario Championship and especially to Larry Simon who batted in the winning run.
