ON THE FARM FRONT

Brief Notes for the Busy Farmer

By Haldimand Harry

So far the hog cholera situation has not shown much improvement. The disease has been found in six counties in Ontario with 27 farms being under quarantine. In addition, the disease has been found in 12 counties in Quebec with 20 farms under quarantine.

CARDS OF THANKS

I would like to thank everyone who remembered me with cards, gifts and visits during my stay in hospital.

The family of the late Stanford Vokes wishes to express their sincere thanks and appreciation to their friends, relatives and neighbours for their many acts of kindness, floral tributes and messages of sympathy received by them during their recent bereavement.

FINANCE MINISTER FLEMING

declared the wage freeze as being one of the government's "emergency" measures.

He expressed the hope that the national defence employees will decide against strike action.

FREE WEES END SCHEDULE WITH TWO WINNERS

Don Mitchell's Pee Wee softball team ended their 1962 schedule last week as they clobbered Springvale on Tuesday and walked over Selkirk in the last inning on Thursday night.

On Tuesday night the locals went right to town and jumped on Chasman in the Springvale pitcher for 15 runs in the first inning and 10 more in the second and then coasted to a 31 to 3 victory.

On Thursday night the winners were held scoreless in that inning. Selkirk added one more in the fifth and again held Jarvis scoreless to the eighth inning when they produced a six run inning. Jarvis scored three runs in their half and the game was over.

SPORTS HIGHLIGHTS

— By Laird More —

Light League has a very close and interesting race in the final stand with the first four positions in the final standings to be decided in the last night of play on Saturday.

PERSONALS

Mrs. Richard Telford is spending this week with her sister in Simcoe. Mrs. Harold Heston is spending a few days in Toronto.

Mr. and Mrs. Wesley Gee of Silver Hill spent a day last week at home of Mr. and Mrs. A. L. Belbeck.

HEREFORDS STARTING TO CLIMB

It has taken the Jarvis Herefords almost a full schedule to get going and now they are beginning to look as though they have finally hit their stride and are ready to perform some fine football for the fans in this district.

On Saturday night coach Harry Reekie changed his line-up all around and it proved off as they thumped the Mount Hope Mounties for five while Charlie Winger, Hugh Bessie and Lynn Snider pitched a fine game up until the eighth inning when he was hit by Lynn Snider.

CELEBRATION AT SELKIRK REVIVED

August 11th the young families in Selkirk will attempt to revive the annual celebration that their parents and grandparents so heartily enjoyed. It is a cautious revival — a children's caliphilip parade followed by sports events and an evening of entertainment. But this is enough to assure that on the night before the big day the village will once again be filled with the hilarity that accompanies not only a parade itself, but all the building preparations as well.

SOUTH WALPOLE AREA SCHOOL BOARD MEETING

The regular monthly meeting of the South Walpole Township School Board was held on Tuesday evening, July 24th at Selkirk School with all members present and the chairman, Mr. Wray Dennis, presiding. The minutes of the last meeting were read and correspondence given due attention.
