ts needing treatment. In reporting the recent gathering of District No. 10 held at Niagara Falls, when ten members from Jarvis were in attendance, the establishment of a Daffodli Festival was announced. This is made possible by the gift from Holland of 50,000 bulbs which will be planted this Fall in Niagara District Parks from Queenston to Chippawa, these will by Centennial Year 1967, have multiplied to 1,000,000 blooms which as the Cancer Society emblem, will recognize the importance of work done. The announcement was also made that Maurice Grimes of Toronto has been asked to present a paper at the International Congress in Moscow. This meeting may be also called the "World Union Against Cancer".

Locally meetings will be suspended until the Fourth Monday in September when Mrs. Ross Dosser will be hostess Mrs. Arthur Blight will be ber when Mrs. Ross Dosser will be hostess for a Bake Sale and Tea on September 14th.

The ladies worked on dressings during the evening.
